Puget Sound hosts Tacoma Bike Swap

University of Puget Sound will once again be hosting the Tacoma Bike Swap. This year’s event will be held on Saturday, April 30th, 10 a.m.–2 p.m in Memorial Fieldhouse. Admission to the swap is free to all students and community members. There will be plenty of booths with folks selling used parts or looking to swap rides, plus lots and lots of bike stuff. If you’ve ever thought about buying a bike, improving the one you have, learning about the sport, or if you just want to walk around and chat with fellow bike nuts, this is the place to be.

For additional information, please feel free to email bikeswap@cityoftacoma.org or visit PierceTrips.com for further information on Tacoma’s Bike Month!

And I will walk/bike/rideshare 500 miles...

Coming this April, Puget Sound will be putting on a commuter challenge called the 500 Miles Campaign inspired by The Proclaimers tune, "I Would Walk 500 Miles..." The campaign challenges staff and faculty to walk 500 miles and bike 1000 miles (cumulatively) over a 4–week period. Highlights include Walk to Work Day (April 1), Earth Day (April 22) and the Puget Sound Bike Swap (April 30). Stay tuned for registration information and more details!

DID YOU KNOW... Fun Facts About Diversions!
Each month, Diversions uses approximately 22,608 cups. That adds up to 271,296 cups per year...ALL of which end up in the landfill. Think twice before you get that cup to go!
