UPS requires a total of 32 units to graduate.

---

\(^1\) Chinese, Japanese, or other approved Asian language course.

\(^2\) IEAS designation requires two units of Asian language, one unit of Asian Studies 344, and four other electives in the Asian Studies curriculum *exclusive of language courses and Asia 489*. At least two of these four electives must be at the 300 or 400 level and taken on the campus in Tacoma.

\(^3\) Study abroad and internship programs must be pre-approved and unit totals may vary.

\(^4\) Those pursuing the added Robert Trimble Distinguished Asia Scholar designation must maintain a 3.5 GPA in the designation program and complete Asia 489 or approved, Asia-related senior thesis course within the major.

\*Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
