UPS requires a total of 32 units to graduate.

Additional English writing courses required by some medical schools.  
Medical School Admission Requirements book must be checked during the sophomore year for specific school requirements.  
Early contact with the Chair of the Health Professions Advising Committee or the program coordinator is recommended in the freshman year.

*Students must fulfill the Fine Arts core requirement with a course outside of Music.*

**Recommended  
***If medical school requires biochemistry with lab, take Chem 460 and 461. Otherwise, Biol 361 is acceptable.  
****Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
