

HAVERFORD

The Departments of Economics and Political Science, in conjunction with the Distinguished Visitors Program present a screening of the recent PBS documentary

“Buyer Be Fair”

A documentary on Fair Trade certification and marketing of coffee and wood products.

Matthew Warning

*Associate Professor of Economics
University of Puget Sound*

Professor Warning will make introductory remarks before the screening, and will take questions and lead discussion following the screening. Professor Warning served as a consulting producer for this documentary, and appears in it as an analyst of Fair Trade coffee production in Mexico.
