1. Launch Safari on your iPhone or iPad.

2. In the address bar, type “vdesk.pugetsound.edu”.

3. You will be directed to the login page, where you will login using your Puget Sound username and password. Then click “Logon”.

pugetsound.edu/ts  •  253.879.8585  •  servicedesk@pugetsound.edu
4. You will see your vdesk online app desktop.

If you try and launch a vDesk application and you have not installed the Citrix App from the iTunes App store, you will see this error:

5. When a program is launched, click “open in Citrix” and the application will open automatically.
