Puget Sound CHispA Leadership Scholarship

The Puget Sound Community for Hispanic Awareness (CHispA) has created this CHispA Leadership Scholarship in order to support University of Puget Sound’s immigrant student population. As a student group uniquely concerned with issues impacting the wider Hispanic-Latino community, CHispA recognizes the impact that being an immigrant may have on a student’s decision to attend a liberal arts college such as the University of Puget Sound. This scholarship is intended to provide financial support to any student who is an immigrant, documented or undocumented. The scholarship is to be awarded on an annual basis to a student who is enrolled or is committed to enroll full time at the University of Puget Sound. Preference will be given to students who identify as Hispanic and/or Latino.
