Course and Seminar

Description: Funds are provided for the purpose of supporting the enrollment of faculty members in short-term courses or seminars. The objective of such activities should be the extension of established disciplinary expertise or the acquisition of knowledge in a separate but clearly related field. Normally, short courses or seminars offered before or after professional conferences will be funded on a per diem and tuition basis. Travel to the conference should be funded from departmental travel funds or, if applicable, from conference participation funds. To be funded, evidence of substantial work, such as pre-seminar or course reading or post-seminar reports, is required. Course and Seminar funds will support travel to the same course only once every five years.

Eligibility: These funds are intended for the use of tenure-line faculty, faculty holding fulltime three-year assistant professor appointments, and full-time, continuing artists-in-residence. Up to ten percent of the course and seminar funds may be awarded to faculty at the rank of Instructor and visiting faculty who have been in full-time service at the university for at least three years. Funding, up to 50% of total allowable expense including travel, tuition, and other per diem expenses up to a maximum of $995 per year, may be requested. (The $995 maximum per year may be used on a single program or several programs.) Instructors and visiting faculty with less than three years of service at the university and non-tenure-line short term replacements of tenure-line faculty will not be funded. Please see policy statement and documentation required for university support of travel outside the United States.

Application: Application for these funds should be made to the University Enrichment Committee. Forms for this purpose are available at http://www.pugetsound.edu/gateways/faculty-staff/faculty-professional-development/. If applicable, also include Foreign Travel Waiver documentation.

Deadline: Applications must be received by May 15 for consideration in the current fiscal year. Application, on a first-come first-served basis, should be made at least sixty (60) days before commencement of the course.

Reporting: A faculty member receiving such funds shall provide the following reports within thirty days after completion of the course or seminar:

1. When the course or seminar is complete, a report of substantial nature will be provided. It should include a summary and critical review of the course content, an outline of the professional growth and development as a result of the experience and an explanation of the impact of the course in his/her future teaching and/or professional advancement. The report should be submitted by the faculty member to the University Enrichment Committee through the Office of the Associate Deans. Upon acceptance of the report, funding will be released.
2. A completed "Expense and Reimbursement Record" (available at [http://www.pugetsound.edu/gateways/faculty-staff/faculty-professional-developme/](http://www.pugetsound.edu/gateways/faculty-staff/faculty-professional-developme/).

3. Attach original invoices and receipts for all expenses and submit to the Office of the Associate Deans. Be sure to include the airfare receipt and the conference registration fee receipt. Reimbursement cannot be made for expenses for which original receipts are not presented.

**Special Provisions:** Faculty completing such courses or seminars are encouraged to share the results formally with their colleagues.
