Residence Life Proxy Form
Housing Lottery 2014-2015

I understand that the purpose of this form is to allow me to sign up for on-campus housing while I am studying abroad or on a leave of absence. By providing the Residence Life office with the following information, I am in essence, giving the Residence Life staff permission to choose an on-campus space for me. If an assignment cannot be made because there are no spaces that match my preferences, I understand that I will not be placed and my contract will be voided. I will be entered into the housing lottery/placement process along with all other applicants; my chances of being awarded an on-campus space will be the same as someone who is physically present during the housing lottery/placement process.

*You must submit this form and a signed housing contract before your scheduled lottery date/time.*

Comments or additional information you would like us to know when making your housing selection for you:

Please note: Due to a Trustee decision made in July of 1987, students affiliated with a Greek organization are not eligible to live in residence halls or on-campus houses unless the occupancy of their fraternity or sorority is at 100%. Greek students will not be processed in the housing lottery process unless the Chapter is at 100% occupancy.
