Quick Guide to Citation Appeals

To start the citation appeal process login to your Cascade account. Once logged in select the menu item Vehicle Registration.

Select Outstanding Citations to submit an appeal.

From the list, select the citation you would like to appeal and enter your comments as to why the citation should be waived. Next, click the Appeal citation button. You will then be taken to a confirmation page showing that your appeal has been successfully entered.
Quick Guide to Citation Appeals

Appeals are processed weekly on Fridays. You will need to check back to read the appeal decision (shown below). Go to your Citation History to see the appeal decision.

Citations must be appealed within three business days of receiving the citation. Citations can also only be appealed one time and all decisions are final.
