How to access “Your Employment Information” in Cascade

Step 1: Go to https://cascade.pugetsound.edu

Step 2: Enter your Cascade username and password. (Note: If you have difficulty logging in to Cascade, please contact the Technology Services Help Desk at extension 8585.)

Step 3: Click on “Your Employment Information”
Step 4: Click on a topic on the right to expand or show additional information and click again to collapse it.

*Cascade uses SSL technology to encrypt your information as it travels across the network. You can do your part to protect your information by keeping your password secret, logging out when finished, and locking your computer when you are away from your desk.

*If you have questions about the information or if you have additions or modifications to “Your Employment Information” to recommend, contact HR Technology and Compensation Coordinator Jessie Carter at jcarter@pugetsound.edu or extension 2699.
