PREREQUISITES FOR ADMISSION TO THE ENTRY LEVEL GRADUATE PROGRAM IN OCCUPATIONAL THERAPY

Students must have a bachelor’s degree from an accredited college or university and may prepare for Occupational Therapy while pursuing any major course of study. Some majors may be designed as pre-Occupational Therapy, but students are cautioned to not assume that programs designed as such will necessarily benefit their application.

NOTE: One unit at the University of Puget Sound equals six quarter hours or four semester hours of credit.

1. Human Anatomy and Physiology preferably with labs: EXSC 221 & 222 or equivalent (2 units);

2. Human Development/Human Behavioral Science: a total of 3 units, distributed as follows:
   A. Human Development through the life span: PSYC 273 & 274 or equivalent (2 units);
      NOTE: It is possible to complete the Human Development prerequisite within a single course covering the life span. In this case, students must complete 2 units in category (B) listed below:
   B. Human Behavioral Science: course(s) in Anthropology, Psychology or Sociology at the 200 level or above (except where noted) addressing at least one of the following content areas (1 unit):
      i. Normal and abnormal behavior of individuals and/or groups;
      ii. The analysis of behavior of individuals and/or groups and their interactions;
      iii. Culture and mental health.

3. Statistics: MATH 271 or equivalent (1 unit).

All prerequisite courses must be taken for a letter grade, and students must earn at least a “C” in each course. A minimum 3.0 cumulative undergraduate grade point average or a grade point average above 3.25 for the last 2 years of academic work is also required for admission.

PREREQUISITES FOR ADMISSION TO THE DOCTOR OF PHYSICAL THERAPY PROGRAM

Students must have a bachelor’s degree from an accredited college or university and may prepare for Physical Therapy while pursing any major course of study. Some majors may be designed as pre-Physical Therapy. Students are cautioned to not assume that programs designed as such will necessarily benefit their application.

NOTE: One unit at the University of Puget Sound equals six quarter hours or four semester hours of credit.

1. Human Anatomy and Physiology (laboratories must be included): EXSC 221 & 222 or equivalent.

2. General College Physics (laboratories must be included): PHYS 111 & 112 or equivalent.

3. Chemistry (laboratories must be included): CHEM 110 & 111 or equivalent.

4. Statistics: MATH 271 or equivalent.

5. A course in psychology or sociology emphasizing human behavior or disability. Puget Sound courses that fulfill the requirement include PSYC 101 Introduction to Psychology; PSYC 295 Abnormal Psychology; CSOC 206 Deviance and Social Control; or CSOC 370 Disability, Identity, and Power.

Prerequisite courses should be completed within 10 years of entry into the program. If a longer time has elapsed, the applicant must submit a letter explaining how the knowledge has been kept current.

Courses listed in this section of the University of Puget Sound Advising Manual are intended for the use of students at Washington community colleges who are completing prerequisites for entrance into the Occupational Therapy Program or the Physical Therapy Program only.
All prerequisite courses must be taken for a letter grade, and students must earn at least a “C” grade in each course. The grades from Physics and Anatomy courses must average to a “B” or better with no single grade less than “C.” Because course content can be divided into specific courses in different ways, the faculty highly recommends that each science prerequisite course sequence be completed at a single college or university. Questions about prerequisite course equivalencies should be directed in writing to the Office of Admission, accompanied by a course description including the name of the school and an unofficial transcript of the course work completed. Only written inquiries will be answered. Prior to submission of the application for admission, all evaluations are unofficial. In addition, unofficial evaluations are completed only between May 1 and October 1.

PREREQUISITES FOR OCCUPATIONAL THERAPY AND PHYSICAL THERAPY PROGRAMS
PREREQUISITES FOR ADMISSION TO THE ENTRY LEVEL GRADUATE PROGRAM IN OCCUPATIONAL THERAPY

Students must have a bachelor's degree from an accredited college or university and may prepare for Occupational Therapy while pursuing any major course of study. Some majors may be designed as pre-Occupational Therapy, but students are cautioned to not assume that programs designed as such will necessarily benefit their application.

NOTE: One unit at the University of Puget Sound equals six quarter hours or four semester hours of credit.

1. Human Anatomy and Physiology preferably with labs: EXSC 221 & 222 or equivalent (2 units);

3. Human Development/Human Behavioral Science: a total of 3 units, distributed as follows:
   A. Human Development through the life span: PSYC 273 & 274 or equivalent (2 units);
      NOTE: It is possible to complete the Human Development prerequisite within a single course covering the life span. In this case, students must complete 2 units in category (B) listed below:
   C. Human Behavioral Science: course(s) in Anthropology, Psychology or Sociology at the 200 level or above (except where noted) addressing at least one of the following content areas (1 unit):
      ii. Normal and abnormal behavior of individuals and/or groups;
      iv. The analysis of behavior of individuals and/or groups and their interactions;
      v. Culture and mental health.

3. Statistics: MATH 271 or equivalent (1 unit).

All prerequisite courses must be taken for a letter grade, and students must earn at least a "C" in each course. A minimum 3.0 cumulative undergraduate grade point average or a grade point average above 3.25 for the last 2 years of academic work is also required for admission.

PREREQUISITES FOR ADMISSION TO THE DOCTOR OF PHYSICAL THERAPY PROGRAM

Students must have a bachelor's degree from an accredited college or university and may prepare for Physical Therapy while pursuing any major course of study. Some majors may be designed as pre-Physical Therapy. Students are cautioned to not assume that programs designed as such will necessarily benefit their application.

NOTE: One unit at the University of Puget Sound equals six quarter hours or four semester hours of credit.

6. Human Anatomy and Physiology (laboratories must be included): EXSC 221 & 222 or equivalent.

7. General College Physics (laboratories must be included): PHYS 111 & 112 or equivalent.

8. Chemistry (laboratories must be included): CHEM 110 & 111 or equivalent.

10. A course in psychology or sociology emphasizing human behavior or disability. Puget Sound courses that fulfill the requirement include PSYC 101 Introduction to Psychology; PSYC 285 Abnormal Psychology; CSOC 206 Deviance and Social Control; or CSOC 370 Disability, Identity, and Power.

Prerequisite courses should be completed within 10 years of entry into the program. If a longer time has elapsed, the applicant must submit a letter explaining how the knowledge has been kept current. All prerequisite courses must be taken for a letter grade, and students must earn at least a "C" grade in each course. The grades from Physics and Anatomy courses must average to a "B" or better with no single grade less than "C." Because course content can be divided into specific courses in different ways, the faculty highly recommends that each science prerequisite course sequence be completed at a single college or university. Questions about prerequisite course equivalencies should be directed in writing to the Office of Admission, accompanied by a course description including the name of the school and an unofficial transcript of the course work completed. Only written inquiries will be answered. Prior to submission of the application for admission, all evaluations are unofficial. In addition, unofficial evaluations are completed only between May 1 and October 1.
### OCCUPATIONAL THERAPY/PHYSICAL THERAPY PREREQUISITES

#### Bellevue Community College 2006

**ANATOMY & PHYSIOLOGY**
- BIOL 260 & 261 (both) Human Anatomy & Physiology

**HUMAN DEVELOPMENT**
- PSYCH 204 General Developmental Psychology (lifespan)

**BEHAVIORAL SCIENCE (any 2)**
- ANTH 202 Cultural Anthropology
- PSYCH 200 Abnormal Psychology
- PSYCH 205 Introduction to Personality
- PSYCH 240 Social Psychology
- PSYCH 257 Psychology of Sex Differences
- SOC 240 Social Psychology
- SOC 255 The Family
- SOC 256 Introduction to Sex & Sexuality
- SOC 270 Sociology of Deviance

**STATISTICS (any 1)**
- BA 240 Statistical Analysis
- MATH 171 Introduction to Statistical Analysis

#### BIG BEND COMMUNITY COLLEGE 2006

**ANATOMY & PHYSIOLOGY**
- BIOL 210 & 211 (both) Human Anatomy and Physiology I, II

**CHEMISTRY (choose 1 sequence)**
- CHEM 101-102 (both) Introduction to Chemistry, Organic & Biochemistry
- CHEM 140-160 (all) General Inorganic and Physical Chemistry

**PHYSICS (choose 1 sequence)**
- PHYS 114-116 (all) General Physics I, II, III
- PHYS 121-123 (all) General Engineering Physics I, II, III

**STATISTICS (any 1)**
- BA 240 Statistical Analysis
- MATH 171 Introduction to Statistical Analysis

**BEHAVIORAL SCIENCE (any 1)**
- PSYCH 100 Introduction to Psychology
- PSYCH 200 Abnormal Psychology
- PSYCH 204 General Developmental Psychology (lifespan)
- PSYCH 205 Introduction to Personality
- PSYCH 240 Social Psychology

#### CASCADIA COMMUNITY COLLEGE 2006

**ANATOMY & PHYSIOLOGY**
- BIOL 210 & 211 (both) Human Anatomy & Physiology I & II

**CHEMISTRY**
- CHEM 142, 152, 162 (all) General Chemistry I, II, III

**PHYSICS**
- PHYS 114-116 (all) General Physics I, II, III
- PHYS 121-123 (all) Classical Mechanics, Waves, Sound, Light, Electromagnetic and Oscillatory Motion

**STATISTICS**
- MATH 135 Intro to Statistics and Probability
- MATH 235 Applications of Statistics

**BEHAVIORAL SCIENCE (any 1)**
- PSYC 101 Principles of Psychology
- PSYCH 131 Sex & Gender
- PSYCH 205 Psychological Disorders
- PSYCH 206 Human Development through the Lifespan

### Tacoma Community College 2006

#### Occupational Therapy Prerequisites

**Anatomy & Physiology**
- BIOL 220-221 (both) Human Anatomy & Physiology I, II
- BIOL 240-242 (all) Human Anatomy & Physiology

**Human Development**
- PSYC 206 Developmental Psychology: Life Span

**Behavioral Science (any 2)**
- ANTH 202 Principles of Sociocultural Anthropology
- PSYCH 204 Abnormal Psychology
- SOC 240 Social Psychology
- SOC 252 Sociology of the Family
- SOC 271 Deviant Behavior
- SOC 287 Sociology of Gender and Sexuality

**Statistics (any 1)**
- BUS 256 Statistical Analysis
- MATH 108 Introduction to Statistics

### Physical Therapy Prerequisites

**Anatomy & Physiology**
- BIOL 220-221 (both) Human Anatomy & Physiology I, II
- BIOL 240-242 (all) Human Anatomy & Physiology

**Chemistry (choose 1 sequence)**
- CHEM 101 & 102 (both) Survey of Inorganic, Organic, and Biochemistry
- CHEM 140-160 (all) General Chemistry

**Physics (choose 1 sequence)**
- PHYS 114-116 (all) General Physics
- PHYS 121-123 (all) Engineering Physics

**Statistics (any 1)**
- BUS 256 Statistical Analysis
- MATH 108 Introduction to Statistics

### Walla Walla Community College 2006

#### Occupational Therapy Prerequisites

**Anatomy & Physiology**
- BIOL 220-221 (both) Human Anatomy & Physiology I, II
- BIOL 240-242 (all) Human Anatomy & Physiology

**Human Development**
- PSYCH 206 Developmental Psychology (lifespan)

**Behavioral Science (any 2)**
- ANTH 202 Cultural Anthropology
- PSY 113 Human Sexuality
- PSY 205 Social Psychology
- PSY 206 Abnormal Psychology
- SOC 205 Racial and Ethnic Relations
- SOC 208 Sociology of Intimate and Family Relations
- SOC 220 Gender and Society
- WST 113 Human Sexuality
- WST 220 Gender and Society

**Statistics (any 1)**
- BUS 256 Statistical Analysis
- MATH 108 Introduction to Statistics

### Wenatchee Valley College 2006

#### Occupational Therapy Prerequisites

**Anatomy & Physiology**
- BIOL 221 & 222 (both) Human Anatomy & Physiology I, II

**Chemistry (choose 1 sequence)**
- CHEM 107-109 (all) General, Organic, and Biochemistry for Health Sciences
- CHEM 121-123 (all) General Chemistry I, II, III

**Physics (choose 1 sequence)**
- PHYS 101-103 (all) General Physics I, II, III
- PHYS 121-123 (all) Engineering Physics I, II, III

**Statistics (any 1)**
- BUS 256 Statistical Analysis
- MATH 108 Introduction to Statistics

**Behavioral Science (any 1)**
- PSYC 101 Introduction to Psychology
- PSY 103 Developmental Psychology (lifespan)
- PSY 113 Human Sexuality
- PSY 205 Social Psychology
- PSY 206 Abnormal Psychology
- SOC 205 Racial and Ethnic Relations
- SOC 208 Sociology of Intimate and Family Relations
- SOC 220 Gender and Society

**OCCUPATIONAL THERAPY/PHYSICAL THERAPY PREREQUISITES PAGE 10**
### WHATCOM COMMUNITY COLLEGE
#### OCCUPATIONAL THERAPY PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 270 & 271 (both)  Anatomy & Physiology I, II

**HUMAN DEVELOPMENT**
- PSYCH 216  Psychology of Human Development (lifespan)

**BEHAVIORAL SCIENCE (any 2)**
- ANTHR 202  Cultural Anthropology
- PSYCH 211  Social Psychology
- PSYCH 215  Abnormal Psychology
- PSYCH 217  Human Sexuality
- PSYCH 235  Physiological Psychology
- SOCIO 120  Marriage and the Family
- SOCIO 215  Social Deviance

**STATISTICS**
- MATH 240  Statistics

### YAKIMA VALLEY COMMUNITY COLLEGE
#### OCCUPATIONAL THERAPY PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 230 & 231 (both)  Human Anatomy & Physiology I, II

**HUMAN DEVELOPMENT**
- PSYCH 213 & 214 (both)  Human Lifespan Development I, II

**BEHAVIORAL SCIENCE (any 1)**
- ANTHR 102  Cultural Anthropology
- PSYCH 220  Abnormal Psychology
- SOC 110  Sociology of Sex & Gender
- SOC 250  Marriage and Family

**STATISTICS**
- BA 256  Business Statistics

### WHATCOM COMMUNITY COLLEGE
#### PHYSICAL THERAPY PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 270 & 271 (both)  Anatomy & Physiology I, II

**CHEMISTRY**
- CHEM 121-123 (all)  General Chemistry I, II, III

**PHYSICS (choose 1 sequence)**
- PHYS 114-116 (all)  Principles of Physics I, II, III
- PHYS 121-123 (all)  General University Physics I, II, III

**STATISTICS**
- MATH 240  Statistics

**BEHAVIORAL SCIENCE (any 1)**
- PSYCH 110  General Psychology
- PSYCH 211  Social Psychology
- PSYCH 215  Abnormal Psychology
- PSYCH 216  Psychology of Human Development (lifespan)
- PSYCH 217  Human Sexuality
- PSYCH 235  Physiological Psychology
- SOCIO 120  Marriage and the Family
- SOCIO 215  Social Deviance

### YAKIMA VALLEY COMMUNITY COLLEGE
#### PHYSICAL THERAPY PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 220 & 230 (both)  Human Anatomy & Physiology I, II

**CHEMISTRY**
- CHEM 140/141L-160/161L (all)  General College Chemistry I, II, III

**PHYSICS (choose 1 sequence)**
- PHYS 115-117 & 125-127 (all)  General Physics I, II, III
- PHYS 211-213 & 221-223 (all)  Engineering Physics I, II, III

**STATISTICS**
- BA 256  Business Statistics

**BEHAVIORAL SCIENCE (any 1)**
- PSYCH 101  General Psychology
- PSYCH 213  Human Lifespan Development I
- PSYCH 214  Human Lifespan Development II
- PSYCH 220  Abnormal Psychology
