PREREQUISITES FOR
OCCUPATIONAL THERAPY AND
PHYSICAL THERAPY PROGRAMS

Courses listed in this section of the University of Puget Sound Advising Manual are intended for the use of students at Washington community colleges who are completing prerequisites for entrance into the Occupational Therapy Program or the Physical Therapy Programs only.
PREREQUISITES FOR ADMISSION TO
THE ENTRY LEVEL GRADUATE
PROGRAM IN OCCUPATIONAL
THERAPY:

1. A bachelor’s degree from an accredited college or university. Students may prepare themselves for Occupational Therapy while pursuing any major course of study. Some majors may be designed as pre-Occupational Therapy. Students are cautioned not to assume that programs designed as such will benefit their application.

2. Human Anatomy and Physiology including labs completed within 5 years prior to enrollment.

3. Human Development/Human Behavioral Science completed within 10 years prior to enrollment: a total of 3 courses distributed as follows:
   A. Human Development through the life span: Developmental Psychology - infancy through childhood and Developmental Psychology - adolescence through death.
      NOTE: It is sometimes possible to meet the Human Development prerequisite within a single course, in which case you must complete 2 courses in the category listed below.
   B. Human Behavioral Science courses (one or more courses needed to complete the 3 course Human Development/Human Behavioral Science requirement): Anthropology, Psychology or Sociology at the 200 level or above addressing at least one of the following content areas:
      i. normal and abnormal behavior of individuals and/or groups;
      ii. the analysis of behavior of individuals and/or groups and their interactions; or
      iii. culture and mental health

4. Applicants to the Master of Occupational Therapy program or Master of Science in Occupational Therapy program must hold a bachelor’s degree from an accredited college or university.

5. Applied Statistics completed within 10 years prior to enrollment.

PREREQUISITES FOR ADMISSION TO
THE DOCTOR OF PHYSICAL THERAPY
PROGRAM:

1. A bachelor’s degree from an accredited college or university. Students may prepare themselves for Physical Therapy while pursuing any major course of study. Some majors may be designed as pre-Physical Therapy. Students are cautioned not to assume that programs designed as such will benefit their application.

2. Human Anatomy and Physiology including labs.

3. General College Physics including labs.

4. Fundamentals of Chemistry with a grade of “C” or better in each course, including labs.

5. Applied Statistics with a grade of “C” or better.

6. A course in psychology or sociology emphasizing human behavior or disability with a grade of “C” or better. Puget Sound courses that fulfill the requirement include Introduction to Psychology, Abnormal Psychology or Deviant Behavior.

7. Presentational Communication, Argument and Debate, or Group Decision Making with a grade of “C” or better.

In general, prerequisite courses should be completed no more than 10 years before entry into the program. If a longer time has elapsed, the applicant should submit a letter explaining how the knowledge has been kept current.

All prerequisite courses must be taken for a letter grade. The grades from Physics and Anatomy courses must average to a “B” or better with no single grade less than “C.” Because course content can be divided into specific courses in different ways, the faculty highly recommends that each science prerequisite course sequence be completed at a single college or university. Questions about prerequisite course equivalencies should be directed to the Office of Admission in letter form, accompanied by a course description including the name of the school and an unofficial transcript of the course work completed. Only written inquiries will be answered. Prior to submission of the application for admission, all evaluations are unofficial. In addition, unofficial evaluations are completed only between May 1 and October 1.
### BELLEVUE COMMUNITY COLLEGE 2003

#### OT PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 260 & 261 (both) Human Anatomy and Physiology

**HUMAN DEVELOPMENT**
- PSYCH 204 General Developmental Psychology (lifespan)

**BEHAVIORAL SCIENCE (any 2)**
- ANTH 202 Cultural Anthropology
- PSYCH 200 Abnormal Psychology
- PSYCH 205 Introduction to Personality
- PSYCH 240 Social Psychology
- SOC 240 Social Psychology
- SOC 255 Marriage and the Family
- SOC 270 Social Disorganization and Deviant Behavior

**STATISTICS (any 1)**
- BA 240 Statistical Analysis
- MATH 171 Introduction to Statistical Analysis

### BIG BEND COMMUNITY COLLEGE 2003

#### OT PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIO 210 & 211 (both) Human Anatomy and Physiology I, II

**HUMAN DEVELOPMENT**
- PSY 210 Life Span Development

**BEHAVIORAL SCIENCE (any 2)**
- ANTH 210 Cultural Anthropology
- PSY 205 Introduction to Social Psychology
- PSY 230 Human Sexuality
- PSY 260 Abnormal Psychology
- SOC 220 Marriage and the Family

**STATISTICS**
- MATH 161 Statistics

### PT PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIOL 260 & 261 (both) Human Anatomy & Physiology

**CHEMISTRY (choose 1 sequence)**
- CHEM 101-102 (both) Introduction to Chemistry, Organic & Biochemistry
- CHEM 140-160 (all) General Inorganic and Physical Chemistry

**PHYSICS (choose 1 sequence)**
- PHYS 114-116 (all) General Physics I, II, III
- PHYS 121-123 (all) General Engineering Physics I, II, III

**STATISTICS (any 1)**
- BA 240 Statistical Analysis
- MATH 171 Introduction to Statistical Analysis

**ORAL COMMUNICATION (any 1)**
- SPH 201 Public Speaking
- SPCH 220 Introduction to Public Speaking
- SPCH 225 Small Group Communication

**BEHAVIORAL SCIENCE (any 1)**
- PSYCH 100 Introduction to Psychology
- PSYCH 200 Abnormal Psychology
- PSYCH 204 General Developmental Psychology (lifespan)
- PSYCH 205 Introduction to Personality
- PSYCH 240 Social Psychology
- SOC 270 Social Disorganization and Deviant Behavior

### PT PREREQUISITES

**ANATOMY & PHYSIOLOGY**
- BIO 210 & 211 (both) Human Anatomy and Physiology I, II

**CHEMISTRY**
- CHEM 105-107 (all) Chemistry I, II, III

**PHYSICS**
- PHY 201-203 (all) Engineering Physics I, II, III

**STATISTICS**
- MATH 161 Statistics

**ORAL COMMUNICATION**
- SPH 201 Public Speaking

**BEHAVIORAL SCIENCE (any 1)**
- PSYCH 101 Introduction to Psychology
- PSY 205 Introduction to Social Psychology
- PSY 210 Life Span Development
- PSY 230 Human Sexuality
- PSY 260 Abnormal Psychology
CASCADIA COMMUNITY COLLEGE
2003

OT PREREQUISITES

ANATOMY & PHYSIOLOGY
BIOL 210 & 211 (both) Human Anatomy and Physiology I & II
HUMAN DEVELOPMENT
PSYCH 206 Developmental Psychology
   (This course fulfills half of the lifespan human development requirement)
BEHAVIORAL SCIENCE (any 2)
