Tax Information

This year the TAX DAY is April 15, 2014. All nonresident aliens present in the U.S. under F-1, F-2, J-1, or J-2 nonresident alien status must file the Form 8843 “Statement for Exempt Individuals and Individuals With a Medical Condition”—even if they received NO income during 2013. Form 8843 must be filed if an individual is:

- present in the U.S. during 2013
- a nonresident alien
- present in the U.S. under F-1, F-2, J-1, or J-2 status

Which means, regardless of income, international students are generally required to file these forms. Please visit the Tax Information for International Students webpage for more information.
