### 4. Community Partner Spotlight - The Black Collective

The Black Collective is a community of black people dedicated to civic engagement through volunteer service. Arising out of Tacoma, Washington's civil rights struggle in the 1960s, the Black Collective is a volunteer leadership organization engaged in addressing issues affecting the black community of Tacoma and Pierce County. They had a robust Black History Month Program that focused on Economic Development, Political Strategy, Social Justice, and Education. More information can be found [here](#). The BAU looks forward to a partnership with The Black Collective in the near future.
