

Neighbor -to- Neighbor

UNIVERSITY OF PUGET SOUND AND THE LOCAL COMMUNITY

Fall 2015

Welcome back, Loggers!

A new year has begun, though it seems like last school year only just ended. Classes are in session, clubs and ASUPS are back in action, and both students and faculty alike are ready to take on the Tacoma community!

The Class of 2019 was welcomed on Aug. 21 by Puget Sound's many open arms. Students came from places as far as South Africa, to right outside our doors in Tacoma. This class, filled with musicians, community leaders, pioneers in research, and many more have such a bright future. Please join us in welcoming the Class of 2019!

UDC meeting on Oct. 14

Neighbors are invited to the next University District Committee (UDC) meeting on Wednesday, Oct. 14, at 6 p.m., in Wyatt Hall, Room 109. UDC meetings are utilized to inform neighbors about projects and activities on and around campus. Neighbors also have the opportunity to address their questions, suggestions, and concerns to Puget Sound staff. Representatives from community engagement, Security Services, Facilities Services, and Off-Campus Student Services will be in attendance.

For more information or directions, please contact Rachel Cardwell at rcardwell@pugetsound.edu or 253.879.3530.

Puget Sound Community Card

At the beginning of each year we offer a card that entitles you and your family to purchase tickets to campus events at a discounted rate. Limit four tickets per cardholder. Excludes lecture series.

If you would like to receive a Puget Sound Community Card please contact Belinda Timpke at 253.879.2902 to have a card mailed to you.

Please note that this card is for campus events only. It does not entitle you to use Puget Sound facilities. If you would like information on facility use, contact athletics at 253.879.3140.

Neighbor-to-Neighbor is going electronic

To support Puget Sound's commitment to sustainability, our trusted newsletter is going electronic. This will allow us to communicate with you more frequently and share information about campus happenings much more efficiently. Don't miss out! Do we have your email address? Contact our office today to make sure you are on the list!
