WHAT ARE THEY DOING SEVEN MONTHS AFTER GRADUATION?*

93% are employed, continuing their education, or engaged in public service.

- 68% Employed
- 19% Continuing Education
- 6% Public Service
- 6% Still Seeking
- 1% Travel/Other

HOW MANY GAINED EXPERIENCE THROUGH PART-TIME JOBS OR INTERNSHIPS BEFORE GRADUATING?

- 91% Part-time Job
- 53% Internship

Experience, Experience, Experience! Whether it’s an internship or a part-time waitressing job, all experience is relevant. Just make sure you gain at least 3 take-aways from each experience.

AFTER FIELD OF STUDY, STUDENTS REPORT THE TOP THREE MOST MEANINGFUL EXPERIENCES THAT INFORMED THEIR CAREER PATH:

Employment...

“...gave me supervisory experience and helped me learn to navigate team dynamics.”

Internship...

“...advanced my future career, opened up new opportunities, and expanded my network.”

Research...

“...gave me ownership over my work and extended the knowledge I gained in the classroom.”

* The data in this section represents verifiable information gathered for 74% of Puget Sound’s 2018 graduating class.
