Arts, Humanities, and Social Sciences ............................ Rachel Anderson
Science ............................................................................ Amanda Johnson
The award recognizes undergraduate students who demonstrate exemplary skill and creativity in the application of library and information resources to original research and scholarship. Sponsored by Collins Memorial Library.

Book Collecting Award
The award encourages undergraduate students at Puget Sound to read for enjoyment and to develop personal libraries throughout their lives; to appreciate the special qualities of printed or illustrated works; and to read, research, and preserve the collected works for pleasure and scholarship. Sponsored by Book Club of Washington.
Best Single Collector: ........................................ Matthew Bell, “Politics: Love at First Sight”
Collins Choice Award: ......... Emma Christen, “Beauty in Diversity: Learning Humanity Through Religion”

Senior Art Award ................................................................................ Katharine Etsell
The Senior Art Award recognizes a graduating studio art major. The winning work is selected by a library panel of staff members and students. The student artist receives a cash prize, and the artwork is prominently displayed in Collins Memorial Library for one year.

FELLOWSHIPS

Fulbright Scholarship ...... Melissa Meharg - English Teaching Assistantship to Germany
                       Jessica Wiken - Research Scholarship to India
Corey Friedman (alternate) - English Teaching Assistantship to Spain
The U.S. student program is designed to give recent B.S./B.A. graduates and master’s and doctoral candidates opportunities for personal development and international experience. Students teach English as a second language in high schools and participate in various community and cultural activities. Projects and/or activities may include university coursework, independent library or field research, classes in a music conservatory or art school, special projects in the social or life sciences, or a combination.

French Government Teaching Assistantship .................... Rebecca Duncan to Nantes
                       Rachel Skene to Montpellier
Sarah Cobbett (waitlisted)
The French Government Teaching Assistantships are competitive and prestigious awards granted by the French Government. Students receiving these Assistantships teach English abroad in the French school system for one academic year.
Thomas Watson Fellowship ........................................................ Angelica Spearwoman
The Watson Fellowship enables college graduates of unusual promise to engage in an initial postgraduate year of independent study and travel abroad. This opportunity provides for a focused and disciplined Wanderjahr of the graduate's own design. The fellowship provides a grant of $30,000 to each recipient.

Goldwater Scholarship ........................................ Jordan Fonseca - Honorable Mention
Lizzi Hahn - Honorable Mention
The Barry M. Goldwater Scholarship and Excellence in Education Program was established by Congress in 1986 to honor Senator Barry M. Goldwater, who served his country for 56 years as a soldier and statesman, including 30 years of service in the U.S. Senate. The scholarship program was designed to foster and encourage outstanding students to pursue careers in the fields of mathematics, the natural sciences, and engineering. The Goldwater Scholarship is the premier undergraduate award of its type in these fields.

National Science Foundation................................. Matthew Moreno - Honorable Mention
The National Science Foundation (NSF) is an independent federal agency created by Congress in 1950 “to promote the progress of science; to advance the national health, prosperity, and welfare; to secure the national defense…” It is the funding source for approximately 20 percent of all federally supported basic research conducted by America's colleges and universities. In many fields such as mathematics, computer science and the social sciences, NSF is the major source of federal backing. They ensure that research is fully integrated with education so that today's revolutionary work will also be training tomorrow's top scientists and engineers.
