NOTES
1) All FUNDAMENTAL courses are required (101-401).
2) Two SCIENCE LAB ELECTIVES (310-313) are required plus BIOL 101, 102 or 111.
3) A total of 4 ELECTIVE courses are required; at least 2 from the FOUNDATIONS category (at any level), and at least 2 at the 300/400 level.
4) Core courses, including first-year seminars, do not count toward the major. Psychology majors may count PSYC 225 toward the major but not the core.
