Verification Worksheet – V4 Independent
2018-19 Academic Year

Student Name: ___________________________________________ ID: _______________________

Your FAFSA was selected by the U.S. Department of Education for a review process called “Verification.” We are required by federal law to verify that the data provided on your FAFSA is accurate. If there are any discrepancies between your FAFSA and information provided on this worksheet, we will update your application, recalculate your aid eligibility, and notify you of any changes to your financial aid package.

This worksheet and any additional documentation required should be returned to Student Financial Services as soon as possible. All required documentation must be submitted and reviewed before verification can be completed.

Verification must be completed before your financial aid can be applied to your student account and no later than the end of the first term of enrollment for the academic school year. If verification is not completed, all academic year federal, state, and need-based Puget Sound aid will be canceled.

- If the student completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, he or she must contact the financial aid office.
