

CURRICULUM VITAE
D. WADE HANDS

Department of Economics
University of Puget Sound
Tacoma, WA 98416
(253) 879-3592
hands@pugetsound.edu

FIELDS OF SPECIALIZATION:

History of Economic Thought
Philosophy/Methodology of Economics
Microeconomic Theory and General Equilibrium Theory

EDUCATION:

Ph.D., Economics, Indiana University, 1981
M.A., Economics, Indiana University, 1977
B.S., Economics, University of Houston, 1973

PRIMARY EMPLOYMENT:

Distinguished Professor of Economics [1997-present], University of Puget Sound
Professor of Economics [1992-97], University of Puget Sound
Associate Professor of Economics [1986-92], University of Puget Sound
Assistant Professor of Economics [1980-86], University of Puget Sound

OTHER POSITIONS:

Visiting Professor [Summer 2016] "Trends and Tensions in Intellectual Integration"
Group at the University of Helsinki, Helsinki, Finland
Visiting Scholar [Jan-March 2001], Erasmus Institute for Philosophy and Economics,
Erasmus University, Rotterdam
Visiting Professor [April-May 2001] GRESE Institute University of Paris 1, Paris.
Visiting Scholar [November 1993], Department of Economics, University of Notre Dame.
Visiting Scholar [September-October 1993] Department of Economics, Duke University.
Visiting Associate Professor of Economics [Fall 1991] Department of Economics,
University of Notre Dame.
Associate Instructor [Fall 1976-Spring 1980] Indiana University.

RESEARCH AFFILIATIONS

Research Associate, "Trends and Tensions in Intellectual Integration" Group at the
University of Helsinki, Helsinki, Finland (2008-present)

EDITORIAL BOARDS:

Journal of Economic Methodology (1994-1999)
Advances in Economic Methodology (1993-2000)
Revue de Philosophie Economique (2007-present)
Journal of the History of Economic Thought (2008-present)
Erasmus Journal for Philosophy and Economics (2009-present)
History of Political Economy (2010-2016)
Filosofía de la Economía (2012-present)

Schmollers Jahrbuch (2015-present)
History of Economic Thought and Policy (2015-present)

SELECTED PROFESSIONAL ACTIVITIES:

- Executive Board, The International Network for Economic Methodology (1994-9)(2005-present)
- Chair of the Dorfman Prize Committee-History of Economics Society (1994-1999)(2016)
- NEH Summer Institute on "The Idea of a Social Science" (Summer 1998)
- Associate Editor, *Journal of the History of Economic Thought* (1999-2008)
- Executive Committee of the History of Economics Society (2000-2002)(2004-2008)
- Editor, INEM-Routledge Book Series in Economic Methodology (2001-2006)
- Associate Editor *Economics Bulletin* (2001-2007)
- Consulting Editor *Episteme* (2002-2005)
- History of Economics Society Vice President (2001-02)
- History of Economics Society President-Elect (June 2004-June 2005)
- Organized History of Economics Society Annual Meeting, Tacoma, WA (June 2005)
- President History of Economics Society (June 2005-June 2006)
- Co-Editor, *Journal of Economic Methodology* (2005-present)
- Member of History of Economics Society Distinguished Fellows Committee (2006-09, Chair 2008)
- Scientific Committee for INEM Conference, Xalapa, Mexico, July 2-4, 2009
- Program Advisor for the 14th International Conference of Logic, Methodology, and Philosophy of Science, Nancy, France, July 19-31, 2011 (2010)
- Program Committee for INEM Conference, Birmingham, AL, October 29-31, 2010 (2010)
- Institute for New Economic Thinking History of Economic Thought Task Force (2010-11)
- Summer Teaching Institute for the Duke Center for the History of Political Economy, University of Colorado, Denver, CO, June 2011 and Duke University June, 2012.
- Co-organizer (with John B. Davis) Workshop on Methodology, Systemic Risk, and the Economics Profession, Duke University, Dec. 9-10 (2011)
- Scientific Committee for INEM Conference, St. Petersburg, Russia, May 16 (2012)
- Selection Committee for EIPE-EJPE Mark Blaug Prize (2013)
- Member of Scientific Committee for ESHET Chile conference, Nov. 25-27, 2015.
- Reform Committee History of Economics Society, Spring 2015-Spring 2016.
- Program Committee for Interdisciplinary Futures: Open Social Sciences 20 Years Later, Lisbon, Portugal, Jan. 19-20, 2017.
- Scientific Committee for INEM Conference, San Sebastian, Spain, Aug. 28-30, 2017.

REFEREEING (in last few years):

Cambridge Journal of Economics, Economics and Philosophy, Journal of Behavioral and Experimental Economics, Research Policy, History of Political Economy, European Journal of the History of Economic Thought, Journal of Institutional Economics, Journal of the History of Economic Thought, Oeconomia, Revue d'Economie Politique, Review of Social Economy, Philosophy of Science, British Journal for the Philosophy of Science, Philosophy of the Social Sciences, Synthese, Erkenntnis, Social Epistemology, Erasmus Journal for Philosophy and Economics, Contemporary Pragmatism, Social Science Information. Also National Science Foundation, Council for the Humanities of the Netherlands Organization for Scientific Research, and various publishers including Cambridge University Press, University of Chicago Press, Edward Elgar, Oxford University Press, Princeton University Press, Kluwer Academic and Routledge/T&F.

University Committees and Service (University of Puget Sound)

University Enrichment Committee (F1981-S84)(Chair F83-S84)(F1998-S2001)
John Magee Chair Search Committee (1983)
Hearst Writing Prize Committee (1985)
Jewett Chair Search Committee (1985)
Brown & Haley Committee (F1985-S1986)(F1988-S1991)(F2006-S2014)
Honorary Degree & Commencement Speaker (F1993-S1996)
Professional Standards Committee (F1988-S91)(F2000-S2003)(Chair F2001-S2002)
Curriculum Committee (F2005-S2006)
Academic Standards Committee (F2006-S2009)
Collier Committee (F2004-S2013)(Chair F2008-F2012)
Lillis Committee (2008-2012)
Acting Chair of the Economics Department (S2009)
Budget Task Force (F2010-S2013)
Finance & Facilities Committee of the Board of Trustees (F2010-S2013)
Library, Media & Information Systems Committee (S2016-present)

AWARDS AND GRANTS:

- Institute for New Economic Thinking Research Award (2014). "Agents and Markets: The Representative Agent in Mid- versus Late-Twentieth Century Economics," \$89,686.
- Institute for New Economic Thinking Research Award (2011). "Paul Samuelson and the Keynesian Golden Age," \$58,831.
- Institute for New Economic Thinking Award (2011), (with John B. Davis) Support for an International Workshop on "The Methodology, Systemic Risk, and the Economics Profession," \$30,000.
- National Science Foundation STS Research Award #0422823 (1/1/2005-12/31/2005). "Agreement on Demand: Studies in the History of Demand Theory 1930-1950," \$141,284.
- The Joseph J. Spengler Book Prize from the History of Economics Society (June 2004) for Reflection Without Rules: Economic Methodology and Contemporary Science Theory (2001).
- John Lantz Senior Sabbatical Fellowship (University of Puget Sound, Spring 1994 and 2001, Fall 2015). One semester release for research. Award is given as a result of a competition among sabbatical-eligible senior faculty.
- John Lantz Sabbatical Enhancement Award (University of Puget Sound, Spring 2001, Fall 2007 and Fall 2015). Travel funds to support sabbatical research.
- Martin Nelson Summer Advanced Study/Research Award (University of Puget Sound, Summer 1987, 1989, 1991, 1995, 1998, 2003, and 2008). Summer research support administered through the Dean's office.
- Unit Release for Research (University of Puget Sound, 1996, 2000, 2005, 2009). One unit release for research administered through the University Enrichment Committee.
- Burlington Northern Foundation Faculty Achievement Award (University of Puget Sound, Spring 1986 and Spring 1992). Outside funded award for scholarship and teaching administered through the Faculty Advancement Committee.
- John Lantz Junior Faculty Fellowship (University of Puget Sound, Fall 1984). One semester release for research. Award is given as the result of a University-wide competition by junior faculty.
- Dirk Andrew Phibbs Memorial Award (University of Puget Sound, Spring 1996). Research award administered through the University Enrichment Committee.

- Oliver Award (Department of Economics, Indiana University, Spring 1981). Departmental award given to the graduate student whose dissertation makes the greatest contribution to economic theory.
- Lieber Associate Instructor Award (Indiana University, Spring 1980). University award given to graduate students for outstanding performance as Associate Instructors.

COURSES TAUGHT (last 10 years):

Contemporary Economics (Econ170)
 Intermediate Macroeconomics (Econ302)
 Intermediate Microeconomic Theory (Econ301)
 History of Economic Thought (Econ221)
 Economics and Philosophy (Econ365)
 Mathematical Economics (Econ391)
 Senior Seminar in 20th Century Economics (Econ411)
 Varieties of Social Explanation (Freshman Seminar in Scholarly and Creative Inquiry)
 Honors Society (Hon214)

PHD THESIS COMMITTEES AND/OR THESIS EXAMINER:

Juan Guillermo Carvajalino Florez “Edwin B. Wilson at the Origin of Paul Samuelson’s Mathematical Economics: Essays on the interwoven History of Economics, Mathematics and Statistics in the U.S.: 1900-1940,”
 University of Quebec at Montreal, Montreal, Canada
 2016

Dorian Jullien “Behavioral Economics and the Role of Language in Economic Rationality”
 University of Nice-Sophia Antipolis, Nice, France
 2016

José M. Edwards “Joyful Economists: Remarks on the History of Economics and Psychology from the Happiness Studies Perspective”
 University of Paris 1, Pantheon-Sorbonne, Paris
 2009

Floris Heukelom “Kahneman and Tversky and the Making of Behavioral Economics”
 Amsterdam History and Methodology Group – Amsterdam School of Economics
 University of Amsterdam, Amsterdam, The Netherlands
 2009

Kerrie Louise Mitchener “Preference and Utility in Economic Theory and the History of Economic Thought”
 Department of Economics, University of Queensland, Australia
 2007

Yanfei Shi “Economics of Scientific Knowledge”
 Department of Philosophy, University of Newcastle, Australia
 2000

PUBLICATIONS:

A. Books:

Reflexivity and Economics: George Soros's Theory of Reflexivity and the Methodology of Economic Science, (edited with John B. Davis), London: Routledge, 2017.

The Elgar Companion to Recent Economic Methodology, (edited with John B. Davis) Cheltenham: Edward Elgar, 2011.

Agreement on Demand: Consumer Theory in the Twentieth Century, (edited with Philip Mirowski) Durham, NC: Duke University Press [Annual Supplement to Volume 38 of *History of Political Economy*], 2006.

Introductory Mathematical Economics, 2nd edition. Oxford University Press, 2004.

Reflection Without Rules: Economic Methodology and Contemporary Science Theory, Cambridge University Press, 2001.

Winner of the Joseph J. Spengler Book Prize from the History of Economics Society 2004. Chinese Translation, Japanese translation forthcoming.

The Handbook of Economic Methodology, (edited with John Davis and Uskali Mäki) Edward Elgar, 1998.

Testing, Rationality and Progress: Essays on the Popperian Tradition in Economic Methodology, Rowman and Littlefield, 1993.

Introductory Mathematical Economics, D. C. Heath, 1991.

SELECTED INVITED LECTURES AND CONFERENCES

"Conundrums of the Representative Agent," Seminar in the Economics Department, Peter T. Paul College of Business and Economics, University of New Hampshire, Durham, NH, December 9, 2016

"Path-Dependency, Hysteresis, Reflexivity, Non-Integrability and Related Concepts in the History and Philosophy of Economics: Some Thoughts on the Past and Present." Second International Conference on Economía Institucional, University Michoacán de San Nicolás de Hidalgo, Morelia, Mexico, March 16-18, 2016.

"The Road to Rationalization: A History of 'Where the Empirical Lives' (or Has Lived) in Consumer Choice Theory." ESHET-Chile, Santiago, Chile, November 25-27, 2015

Institute for New Economic Thinking Annual Conference, Paris,
Speaker in YSI session on "The Future of Economics Revisited," April 8-11, 2015.

CEAR Workshop on "The Welfare Evaluation of Risk Preferences" Rome, Italy, March 19-20, 2015

"Economics and Psychology in Historical Perspective," Maison des Sciences Economiques, Paris, France, December 17-19, 2014.

Institute for New Economic Thinking Annual Conference, Toronto, CA. April 9-13, 2014.

"Workshop on Reflexivity" Central European University, Budapest, Hungary, October 8, 2013.

"Social and Human Sciences on Both Sides of the 'Iron Curtain'," Poletayev Institute for Theoretical and Historical Studies in the Humanities, Moscow, Russia, October 17-19, 2013.

Institute for New Economic Thinking Annual Conference "Changing of the Guard," Hong Kong, April 4-7, 2013.

Institute for New Economic Thinking Annual Conference "Paradigm Lost: Rethinking Politics and Economics," Berlin, Germany, April 12-15, 2012.

"Orthodox and Heterodox Economics in Recent Economic Methodology," XVII Meeting on Epistemology of the Economics Sciences, School of Economic Sciences, University of Buenos Aires, Buenos Aires, Argentina, October 6-7, 2011.

"Realism, Commonsensibles, and Economics: The Case of Contemporary Revealed Preference Theory," presented at the Economics for Real Conference associated with the Uskali Mäki *Festschrift*, Helsinki, Finland, September 4, 2011 [following the INEM Conference September 2-3, 2011].

Institute for New Economic Thinking Annual Conference "Crisis and Renewal: International Political Economy at the Crossroads," Mount Washington Hotel, Bretton Woods, New Hampshire, April 8-11, 2011.

"Normative Rational Choice: Past, Present, and Future," Fourth Conference on the History of Recent Economics, Cachan, France, June 3-5, 2010.

Institute for New Economic Thinking Conference "The Economic Crisis and the Crisis in Economics," Cambridge University, April 8-11, 2010.

"The Rise and Fall of Walrasian General Equilibrium Theory" presented at the Center for the History of Political Economy at Duke University, October 9, 2009.

"The Rise and Fall of Walrasian Economics: The Keynes Effect" presented at the First International Symposium on the History of Economic Thought: The Integration of Micro and Macroeconomics From a Historical Perspective, University of Sao Paulo, Sao Paulo, Brazil., August 3-5, 2009. Also gave a faculty seminar and two workshops during the two days following the conference.

Workshop on "Rationality in Economics and Psychology," University of Amsterdam, May 29, 2009.

"The Road May Not Have Been Taken, But it Was Explored: Behavioral Economic Concerns in Early Twentieth Century Consumer Choice Theory," presented in a faculty seminar in the department of Economics and Management, at the University of Nijmegen, Nijmegen, The Netherlands, March 17, 2009.

University of Amsterdam Conference "Observation in Economics and Natural Sciences, Historically Considered," Hortus Botanicus, Amsterdam, March 12-13, 2009.

98th Dahlem Workshop on "Is There a Mathematics of Social Entities?" Free University of Berlin, Berlin, Germany, December 14-19, 2008.

"Stabilizing Consumer Choice: The Role of 'True Dynamic Stability' and Related Concepts in the History of Consumer Choice Theory," presented in the History of Economic Thought Workshop, Department of Economics, University of Toronto, October 31, 2008.

"What A Difference a Sum (Σ) Makes: Agony and Ecstasy in the Rationalization of Demand," Second Conference on the History of Recent Economics, Lisbon, Portugal, June 5-7, 2008

"Effective Tension in Robbins's Economic Methodology," Conference to Honor the 75th Anniversary of Lionel Robbins's Essay on the Nature and Significance of Economic Science," London School of Economics, December 10-12, 2007.

"The Future of Economics," Register Lecture, University of Puget Sound, November 15, 2007.

"Hayek, Scientism, and Liberty," Liberty Fund Conference, Washington DC, November 8-11, 2007.

"Stabilizing Consumer Choice: The Role of 'True Dynamic Stability' and Related Concepts in the History of Consumer Choice Theory," General Equilibrium as Knowledge Conference, University of Paris Pantheon-Sorbonne, September 6-8, 2007.

"Economics, Psychology, and the History of Consumer Choice Theory," presented at the Whittemore School of Business and Economics, University of New Hampshire, Durham, NH, February 2007.

"A Tale of Two Mainstreams: Economics and Philosophy of Natural Science in the mid-20th Century," History of Economics Society Presidential Address, History of Economics Society Meetings, Grinnell College, Grinnell, Iowa, June 23-26, 2006.

"Philosophical Issues in the History of Demand Theory," presented at a conference on Issues in the Philosophy of Economics, University of Alabama, Birmingham, Alabama, May 19-21, 2006.

"Integrability, Rationalizability, and Path-Dependency in the History of Demand Theory," presented in the Economics Department Seminar Series, Seattle University, Seattle, WA, October 21, 2005.

"Friedman's Positive Methodology and the Formalist Revolution: Two Views" presented at the EIPE Conference on "The Methodology of Positive Economics: Milton Friedman's Essay at 50," December 12-13, 2003, Rotterdam, The Netherlands

"Priority Fights in Economics" presented in the Science and Society seminar and "On Operationalisms in Economics" presented in the Philosophy Department Colloquium, September 2003, University of British Columbia, Vancouver, Canada.

"Did Milton Friedman's Methodology License the Formalist Revolution?" presented in the Philosophy Department, April 2003, University of Quebec at Montreal, Montreal, Canada.

"Operationalisms and Economics," presented at the Whittemore School of Business and Economics, April 2002 University of New Hampshire, Durham, NH.

"Relativism, Rationality, and Economics: Instrumental Rationality and Contemporary Science Theory," presented at an International Symposium on "Science, Philosophy and Democracy: A Contemporary Debate," October 2001, University of Catania, Catania, Sicily, Italy.

"Pragmatism, Knowledge, and Economic Science: Deweyan Pragmatic Philosophy and Contemporary Economic Methodology," presented at the BRC/AIER conference "John Dewey: Modernism, Postmodernism and Beyond," July 2001, Great Barrington, MA.

"Economics and Contemporary Science Theory: Towards a New Economic Methodology," presented at Cercle d'epistemologie, May 2001, GRESE, University of Paris 1 Pantheon-Sorbone, Paris.

"Economic Methodology is Dead - Long Live Economic Methodology: Thirteen Theses on the New Economic Methodology" presented at the Erasmus Institute for Philosophy and Economics, February 2001, Rotterdam, The Netherlands.

"Economics, Sociology, and the Organization of Science: Understanding the Social Character of Scientific Knowledge" presented at the SCANCOR "Crossing Boundaries" Conference, September 2000, Stanford University.

"General Equilibrium and Economic Methodology" presented at the "Economics at the Turn of the Millenium: Pondering Success" Conference, July 1999, San Sebastian, Spain.

"Social Realism and Contemporary Science Theory" presented at the "Fact or Fiction: Perspectives on Realism in Economics" Conference, November 1997, Erasmus University, Rotterdam, The Netherlands.

"A Paradox of Budgets: The Postwar Stabilization of American Neoclassical Demand Theory" (with Philip Mirowski) presented at the "The Transformation of American Economics" Conference, April 1997, Duke University.

"Agency, Nature, and Epistemological Chicken: Some Thoughts on Economics and the Chicken Debate" presented at "The Need for a New Economics of Science" Conference, March 1997, University of Notre Dame.

"Harold Hotelling and the Neoclassical Dream" (with Philip Mirowski) presented at "The Nature of Economics: Case Studies in Economic Methodology" Conference, June 1996, University of Bergamo, Bergamo, Italy.

"A Tale of Two Poppers: Falsification, the Rationality Principle, Social Science, and All That" presented at the "Reconsidering The Prescriptions of Karl Popper: Science and Objectivity in Our Times" Conference, October 1995, Oregon State University.

"Frank Knight's Pluralism" presented at the "Pluralism in Economics" Conference, May 1994, University of Bergamo, Bergamo, Italy.

"Sociology of Scientific Knowledge and Economics" presented at the "Seminar on Realism and Economics," May 1994, King's College, Cambridge.

"Sociology of Scientific Knowledge and Economics" presented at the "Elon College Conference on Issues of Philosophy and Economics" September 1993, Elon College, North Carolina.

"Popperian Economic Methodology, What's Left?" presented at the "FPPE Workshop on Economic Methodology," August 1991, Mekrijarvi, Finland.

"The 'Base-Camp' Nonparadox: Reflections on the Tatonnement Idealization in Walrasian Economics" presented at the "Idealizations in Economics" Conference, July 1991, Tilburg, The Netherlands.

"More Light on Integrability, Symmetry and Utility as Potential Energy in Mirowski's Critical History" presented at the "Rethinking the History of Economics in the Light of More Heat" Conference, March 1991, Duke University.

"The Problem of Excess Content: Economics, Novelty and a Long Popperian Tale" presented at the "Transitions in Recent Economics: Studies in Alternative Research Programmes" Conference, October 1989, Capri, Italy.

"Thirteen Theses on Progress in Economic Methodology" presented at a Symposium on "The State and Prospects for Economic Methodology," August 1989, University of Helsinki, Helsinki, Finland.

"Popper and Lakatos in Economic Methodology" presented at the SCASSS Conference on "Methodological Problems in Neo-institutional Economics," August 1989, Uppsala, Sweden.

"Ad Hocness in Economics and the Popperian Tradition" presented at a Symposium to Honor J. J. Klant, December 1985, Amsterdam, The Netherlands.
