

Hello!

My name is Jackie Dierdorff and as you already know, I am your Peer Advisor for the 2018-2019 school year! I hope you have enjoyed orientation and are beginning to get settled here on campus. I am extremely excited to get to know you over the course of the next year.

To tell you a little more about myself, I'm from Bellingham, Washington and am a senior majoring in Business Leadership and minoring in Sociology/Anthropology. I have played soccer for the University of Puget Sound the past 3 years and am also a manager at the Information Center on campus. (This means that I know lots of fun facts about the school if you are interested!) In my free time I love to trail run, go hiking/backpacking, meet new people and bake lots of delicious desserts.

As your Peer Advisor, I am here to answer all questions regarding your academic transition this year. Whether those questions are about classes, professors, tests, studying or anything in between, I will do my best to make sure you get the information you need to succeed. There are so many people on campus that are working to make your time here at Puget Sound extremely fun and rewarding so please don't hesitate to reach out!

My office hours this semester are **Mondays from 2:00pm-3:00pm** in Oppenheimer Café as well as **Fridays from 12:00-1:00pm** in the Academic Advising Office (Howarth 114).

Feel free to text, call or email me anytime at (360)-961-9330 or jdierdorff@pugetsound.edu. Can't wait to chat soon!

-Jackie ☺
