

Hello Fellow Logger!

Welcome to the Puge! With everything that been coming at you, it's easy to forget, but my name is Jordan Taylor and I am YOUR Peer Advisor for the 2018-2019 Academic Year!

A bit about myself: I am currently a Junior, majoring in Politics & Government with the U.S Politics emphasis, and minoring in Business. I love reading, playing music, petting dogs, and getting the most out of life! On campus, I serve as the Popular Entertainment Programmer for ASUPS (Associated Students of the University of Puget Sound), I work at the Information Desk, and I also serve on the Executive Board of my Fraternity. If I'm not working at one of my extracurriculars, you can likely

find me studying at the tables in Harned Hall!

My role as your Peer Advisor is to ultimately be there for YOU. As you begin your career here, you are bound to have questions. Whatever those questions may be, from I am here to answer them, or find you the person who can! Please don't ever hesitate to reach out to me at my email jalfredtaylor@pugetsound.edu, or by text or call at **831-419-3797**.

Furthermore, I will have office hours in **Howarth 114E** on **Mondays from 1-2pm**. I will be holding an additional drop-in hour in one of our on-campus cafes at a time that will be announced soon. Keep an eye out for my next email to get that time! Of course, if none of these times work for you, you

can always reach out to set up an individual appointment.

Additionally, If you see me around campus say what's up! We can grab coffee! I want to get to know all of you so as to best support you in your career here at Puget Sound. GOOD LUCK with your first week of classes, I'm stoked to get to know y'all better as the year goes on!
