The Dean is In!

Welcome back, Loggers!! Whether you are joining us on campus or studying from afar, we are glad to have you back for the spring semester. We are beginning at the peak of more unprecedented moments for this country, and yet we are starting to see light at the end of the tunnel - vaccinations are being distributed across the country, and we are finding ways to bridge the social distance while still maintaining the physical distance. No doubt it has been a difficult road for each and every one of us, but to paraphrase the always amazing band, The Mountain Goats – …we are gonna make it through this year…Keep that phrase on repeat Loggers.

As we journey toward May, please remember that the Division of Student Affairs will be with you. As you can see from the newsletter we have a variety of awesome opportunities so that you can engage, and re-engage, with us. Come find us, ask questions, tell us how to improve – we are listening. Good luck with your second week of the semester, and don’t forget to wear your mask!!!!!
