**Spring Tuition & Stuff**

**Tuition.** Full-time spring 2021 undergraduate tuition will be reduced to the amount charged in spring 2020 (a reduction of $1,025) with a comparable percentage reduction for graduate students. (This is the same reduction offered in fall 2020.)

**Merit Awards.** The full value of merit awards will be distributed despite the reduction in the cost of attendance.

**Extra Credits.** Students may take up to 5.0 total academic or activity credits in spring 2021 without incurring a course overload charge.

**Attend Part Time and Keep Your Financial Aid.** Students enrolling in 2.0 units will receive 50% of their merit awards and a portion of their need-based Puget Sound grants.

**Work Study.** Information about work study is forthcoming, along with other details related to the spring semester. We will get this information to you as quickly as we can.
