

INTERNATIONAL STUDENTS NEWSLETTER

International Programs

University of Puget Sound

Greetings from Allyson & Anna

Hi everyone,

It has been a while since you last heard from me... but I'm leaving end of this month, so I thought I'd say goodbye and introduce my successor!

I've had a wonderful year here at UPS and I am glad to have been able to meet some great people that have really influenced and changed me. I hope that all of you have had and will keep on having great experiences during your college time. I wish you the best!

One more thing, remember those cool bags filled with fruits and snacks we got for reading period last semester?! Thanks to donations from some lovely logger parents, the

International Students are getting one too!! Go pick yours up **Wednesday, 6th from 8am to 5pm at the SUB.**

Also, check out the second page of the Newsletter, because there are some important announcements!!

Good luck with your finals and enjoy a wonderful summer break!

See you soon.

- Anna

Coming soon...

Kyung In Kim (Kim) will be the International Student Worker at the office next year. She will send out the newsletter and help Allyson organize all of the international events during fall semester. So if there is any activity you want to see happening sponsored by International Programs, she is the person you should become friends with!!

Travel Signature Day

F-1 VISA

On **Wednesday, May 6th** (last day of classes) from **1pm to 5pm**, Allyson will have snacks for you, if you come drop in and get your signature!

The travel signature on your **I-20** (3rd page at the bottom) is **very important** as it is mandatory to get back into the U.S. The signature is only **valid for one year**, so maybe even if you had signed it once, you need a new one.

Volunteers for International Student Profile

On our lovely website for prospective students, we have a space for current international students to introduce themselves and share their UPS experiences with students that may consider joining us. Check out the current profiles [here](#)!

As two of our representatives (Dongni and Noah) are graduating, I was wondering if anyone else would like to take over and share your passion for Puget Sound.

P.S.: If no-one volunteers, Kim will hunt you guys down until we have a few profiles!

Employment Reminder

Planning to work or intern in the U.S. during the summer? Don't forget to get the official permission from Allyson! Drop by and check out your options to make it possible. Take a look [here](#) for more information.
