Puget Sound requires a total of 32 units to graduate.

**NOTES:**
1) The foreign language graduation requirement should be completed early.
2) Students are encouraged to take IPE first-year seminars.
3) IPE “tools” course: SOAN 103, 200, 204 or 230; ECON 170; IPE 201; MATH 160 or 260; PG 102. MATH, PG and SOAN are recommended for semesters 1-2. ECON and IPE are recommended for semesters 2-3 and 4. Take IPE 300 or ECON 271 as soon as possible after ECON 170 -- in semester 4 or 5.
4) To be chosen in consultation with an IPE advisor. May not be used to meet a University core requirement.
5) Students are encouraged to delay taking IPE 301 until they are ready to choose a thesis topic. They should then take 401 as soon as possible after 301 so that work done in 301 can continue in 401.
6) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.

2) Proficiency exam (3rd high school level or 1st year college level)  
3) AP foreign language score of 4 or 5

### NOTES
* Three units (usually upper division courses in IPE or related disciplines) chosen in consultation with an IPE advisor. At least one of the three must be an upper-division IPE course taken on the Puget Sound campus.
  
a) A 2.0 GPA is required for the major, and to count towards the major a course must be C- or above (no Pass/Fail).  
b) Every student must coordinate his or her program with an advisor designated by the Director of the IPE Program.  
c) No course used to satisfy a university core requirement may be used to satisfy an IPE elective requirement.  
d) Where a course both supports a major in IPE and fulfills a major or minor requirement in another field, a student may count no more than two 200- or higher-level departmental units from that major or minor towards the IPE major.
