Puget Sound requires a total of 32 units to graduate.

**NOTES:**
Six units of Chemistry normally counted toward the major are required; thus substitutions may be made through advising.

1) Of the three units of upper division coursework required outside the first major, the
Connections course will count for one unless it is used to meet a major requirement.

*Either CHEM 110 and 120 or 115 and 230 serve as prerequisites for CHEM 250. Chemistry majors who take the 110/120 sequence will also need to take 231. Students enrolling in Chem 231 may have up to 4.5 academic units without incurring additional tuition fees.

**Four additional units of Biology, Chemistry, Geology, Physics or Math/Computer Science (all courses normally counted toward a major.). No more than two may be CHEM courses.

Must maintain a minimum GPA of 2.00 in all graded courses, including transfer courses, in the major.
