

Hi everyone,

My name is Sofia Gotch, and I am so excited to be your Academic Peer Advisor this year! I am currently a senior double majoring in Music and English, with an emphasis in creative writing. You can usually find me in one of the two coffee shops on campus, or running around the music building!

A few things about myself: I love to bake and find creative outlets in my everyday life. I spend a lot of time studying and concentrating on academics, but I also spend a lot of time watching great TV shows and hanging out with my lovely friends and housemates. I was born in San Francisco, and moved to Oakland, California, when I was young. I have a sister named Claire, and a dog named Holly, and they are some of my best friends!

A few things about how I can help you: As your Peer Advisor, I can help you register for classes, help you to find campus resources, improve study habits, and point you toward subject tutors. Please always feel free to reach out to me if you have any questions or concerns! However, I'm not just here to talk about academics! I'm always here to talk about campus life, music, TV shows, clubs on campus, and am even here if you just need to vent or chat about life or school.

Good luck with your first week of classes! I believe in all of you! Be confident in yourself and take care of yourself as well! Remember to drink water and eat enough food! Also, remember to have fun and find things that make you smile! Welcome to Puget Sound!

All the very best,
Sofia
