Requisition approvers: Temporarily reroute requisition requests while you're off campus

Are you going to be off campus for an extended period of time and unable to approve requisitions normally routed to you? Now you can temporarily assign approval to a colleague through myPugetSound. Click the 'Temporary Approver Replacement' link in the Financials drop-down menu on the left. Then select the colleague who agrees to approve your requisitions while you're away. Bonus tip: Set specific start and end dates to save yourself the worry of having to lift the reassignment upon your return! Read More
