

Hello!

My name is Veronica Lewis and I will be your Peer Advisor for the 2018-2019 school year. I hope you all had a great summer and orientation, and are looking forward to the start of the school year! I am really excited for this year and can't wait to get to know you better.

Here at UPS, I am majoring in Exercise Science with minors in both Neuroscience and Spanish. I'm from Kent, Washington and love living in the Pacific Northwest. I enjoy hiking, being outdoors and trying new things. On campus I am involved with the clubs Visible Spectrum and Neuroscience club.

As a peer advisor it's my job to help with you with the transition to college. I have been in your shoes and look forward to answering all of your questions. I am also here to listen whenever you need! We can talk about academics, life or anything you are passionate about. In addition, in my role of as Peer advisor, I can help direct you to the many on campus resources that you might find yourself needing throughout the year.

If you would like to come chat, I have a weekly office hour in Howarth 114 (Office of Academic Advising) on Wednesdays from 10-11am. I also have a weekly café hour in Oppenheimer on Fridays from 10-11am. If these times don't work for you, or you just want to check in, please feel free to contact me. I am here for you! I can't wait to get this year started and see everything you guys will do.

Best,

Veronica
