**Puget Sound requires a total of 32 units to graduate**

**NOTES:**

Students must earn a grade of C- or better in all prerequisite courses and in all courses that count toward the major.

- 1) ECON 101 with a C- or higher, or permission of instructor, is a prerequisite for BUS 310.
- 2) BUS 205, ECON 101, and MATH 160 or 260, are prerequisites for BUS 315.
- 3) BUS 315 is recommended the semester following BUS 205.
- 4) BUS 240, 241, 300, and 316; CONN 387, 390, and 478 may not be used to fulfill business electives or the senior seminar requirements.
- 5) Courses used to satisfy the three Business electives at the 300-400 level and senior research seminar requirement (1 unit) may not also be used to satisfy university core requirements.
- 6) Students must complete the foundation courses and have senior standing before taking the senior research seminar. Check course descriptions, as well as semester by semester course offerings, for 400-level BUS classes to determine if they fulfill the Senior Research Seminar requirement. Courses approved: BUS 432, 476, 478, 482, and 485.
- 7) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
- 8) Students may pursue one or more Concentrations (Accounting, Finance, International, Legal Studies and Sustainability). See "Business Major Concentrations" in the Bulletin for more details on each.
