NOTES:

Puget Sound requires a total of 32 units to graduate

- 1) The foreign language graduation requirement should be completed early.
- 2) IPE “tools” course: ECON 101; MATH 160 or 260; PG 102; SOAN 101 or 102. MATH, PG and SOAN are recommended for semesters 1-2. ECON and IPE are recommended for semesters 2 - 4. Take IPE 205 or ECON 271 as soon as possible after ECON 101, in semester 4 or 5.
- 3) To be chosen in consultation with an IPE advisor. May not be used to meet a University core requirement.
- 4) Students are encouraged to delay taking IPE 301 until they are ready to choose a thesis topic (junior year or fall of senior year).

+At least one of the three IPE Major Electives must be an upper-division IPE course taken on the Puget Sound Campus.

*Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.

THIS FORM IS NOT AN OFFICIAL GRADUATION ANALYSIS

Notes

*Three units (usually upper-division courses) in IPE or related disciplines. Electives must be pre-approved by the IPE advisor in consultation with the student. At least one of the three must be an upper-division IPE course taken on the Puget Sound campus. Refer to the 2020-2021 Bulletin for additional guidance on choosing electives.

- a) A 2.0 GPA is required for the major, and to count towards the major, a course must be C- or above (no Pass/Fail).
- b) Every student must coordinate his or her program with an IPE advisor.
- c) No course used to satisfy a university core requirement may be used to satisfy an IPE elective requirement.

Where a course both supports a major in IPE and fulfills a major or minor requirement in another field, a student may count no more than two 200- or higher-level departmental units from that major or minor towards the IPE major.
