Senate Liaison Beardsley convened meeting. He explained that the Senate has not issued charges for this committee yet. He then called for Chair election. Reich was unanimously elected. Reich also served as secretary for this meeting. The topic of regular secretarial duties was not addressed.

Reich and Segawa provided a general overview of the committee and its responsibilities. Reich asked Beardsley about the status of the committee's motion to the Senate submitted as part of the end of year report for 2014-15. Beardsley informed those present that the motion was still pending. Reich then generally explained that motion for those unfamiliar.

Segawa addressed possible roles and topics including service on review boards, Prelude, and Passages. He noted that while mandatory training for some boards has not yet been implemented, there should be a sufficient pool of already trained personnel to handle anticipated needs in the near future. He also discussed the possibility of one or more members of this committee having a role in the process addressing addition of a new sorority on campus.

Reich reminded the committee that it has the ability to self-charge and encouraged members to keep this in mind. There was general discussion about potential topics and charges possibly coming from the Senate this year, including free speech.

Reich noted that the next committee meeting is scheduled for Sept. 22. He anticipates that meeting occurring and hopes that we have directives from the Senate at that time.

Meeting adjourned at 8:35.

Respectfully submitted,

Brad Reich (acting Secretary)
