

**Student Life Committee Minutes  
September 18, 1998**

**Present:** James Jasinski, Sunil Kukreja, Terry Mace, Christy Mather, Carol Smith, Carrie Washburn

**1. Election of Chair:** Sunil Kukreja was elected chair.

**2. Secretarial Responsibilities:** The committee agreed that responsibility for taking minutes would rotate among the members alphabetically of the committee with the chair exempted from this task.

**3. Meeting Times for Fall semester:** The committee will meet on October 2, October 16, October 30, and November 13 at 3:30pm in Wheelock 201. A final meeting will be held on either November 20 or December 4.

**4. Discussion of agenda items for the year:** The committee discussed the tentative committee charge from the Faculty Senate. Discussion centered on the first tentative charge: generate a proposal to address the funding of co-curricular activities. Points raised included: can this charge be met without a clearer definition of "co-curricular"? does a problem exist with the way co-curricular activities are funded? More specific action on this charge was deferred until a final charge is issued.

Carrie Washburn raised the possibility of adding an item to the committee's charge: recommending changes to the Logger. The committee agreed that such an activity fell under tentative charge #3 (develop additional ways to involve faculty and students in the co-curriculum...) and, hence, a separate charge was unnecessary. A final decision on taking up this issue was deferred to a later date.

The meeting adjourned at 4:25 p.m.

Respectfully submitted,

James Jasinski
