

PHYSICAL THERAPIST / East Coast
100% Outpatient

Full-Time 40 hours per week and permanent hire with Benefits

ORGANIZED MENTORSHIP; Pair up with our Physical Therapists who are amongst the strongest PTs to ever work with. A new graduate will learn a lot here!

Receive training if you would like to become a specialist,
such as Manual Techniques and Dry Needling!

Or work with a variety of injuries until you find a specialty of interest; such as musculoskeletal, orthopedics, cardiopulmonary, neurology, endocrinology, wheel chair, wound care, and others.

And, therapists here observe surgeries if they choose

LOCATION: One of the loveliest outdoor recreational areas to live with state parks featuring hiking and biking trails. Young professionals, growing families and empty nesters are drawn to the mild weather, excellent schools, and relatively low cost of living. Access to hundreds of quality restaurants, a variety of leisure activities and a jam-packed events calendar with parks, zoos, live music, cultural events. Cost of living is lower than what the average American pays, largely due to region's affordable housing. A lot of options for inexpensive rentals (apartments, condos) right near the coast and even for buying new construction homes in master-planned communities!

COMPENSATION:

- **Range ~\$34-50/hour (~\$70,000-100,000 annually)**
- **Plus, Sign-On Bonus \$10,000**
- **Plus, Relocation Package \$5,000**
- **Plus \$500 per year for continuing education.** And free access to 400 online courses for credits
- **Outstanding Benefits Package,** 401K, Paid Time Off / Full-Time Permanent-Hire Employee
- Staff development and growth: Annual continuing education expenses per therapist
- **Fitness Center onsite**
- **Onsite Interviews Paid;** car, flight, hotel

A REWARDING CAREER ON EVERY LEVEL:

- A fully equipped well-designed gym with additional rehab spaces, walking track, and an aquatic warm water pool
- Treat a wide range of patients; cancer, geriatrics, Parkinson's, ortho Injuries, neuro, pediatrics, post-surgery, cardio / Stroke Certified / and more
- Large rehab team; 5 PT, 5 PTA, 1 OT, 1 COTA, 1 SLP, Director of Rehab (PT), 2 Admin Staff
- Flexible schedule; make a schedule that works for you. 4-10s, 5-8s, or even 9-hour shifts. As long as you are here 40 hours per week, we are flexible!
(There is an option to work 32 hours with Benefits)
- One-on-one treatments
- Collaboration and daily clinical discussions with teams focusing on what's best for the patient. You will find a very supportive environment and staff.
