The screenshot shows the Accommodate website interface. The top navigation bar includes the logo 'Accommodate' and user initials 'SC'. The main navigation menu on the left lists: Home, Accommodation, Accommodations, Semester Request, **Letters** (circled in red), Equipment, Resources, Surveys, Testing Room, and Calendar. A red arrow points from the 'Letters' menu item to the 'Letters' tab in the main content area. The main content area is titled 'Accommodation' and has sub-tabs for 'Accessibility Request', 'Semester Request', 'Letters' (selected), and 'Equipment'. A blue information banner states: 'Here are copies of the letters that went to your professors. Professors will sign the letters after they meet with you. Students do NOT sign letters'. Below this, it shows '13 Results' and sorting options: 'SORT BY: Created' and 'Showing 20'. The first result is 'Semester Request Decision To Faculty' with a 'LETTERS' tag, by 'StudentRuby Collins', created on 'January 20, 2022, 2:55 pm'. A second red arrow points from the text 'Click to open Decision Letter...' to this first result.

After your semester request has been approved, you will receive an email.

It is important that you schedule a day/time to meet with each professor to discuss the implementation of your accommodations
