

Advantage Physical Therapy is growing and looking for conscientious and hard working full-time Physical Therapists to join our team in Redmond, WA.

Are you burned out in a high patient volume clinic that is only focused on productivity?

Our model is 60 minute, one-on-one treatments with a focus on evidence based therapy and goal of exceeding patients' expectations at every treatment. We employ Pts only, with no PTAs or aides.

Qualified PT applicants will have experience in orthopedics, sports, manual therapy and are looking for an environment which allows them to spend time with their patients. Our team consists of physical therapists who are self-starters, dedicated to learning and work well independently and as a team to provide our patients with the highest quality care. We focus on helping our patients reach their highest goals as efficiently as possible.

We are a PT owned company with two clinics located in Redmond and Sammamish with an excellent, small group of experienced therapists to work with and learn from.

Our patient population is diverse and active. We treat the high school athlete, casual CrossFit athlete, weekend warrior and everything in between. Many of our patients come to us via direct access as well as physician referral and post-surgical. Our Redmond facility offers four private treatment rooms, in addition to two large open gym spaces with equipment including 4-camera gait system, squat rack with ample weight, cable machine, shuttle press, class 4 therapeutic laser and more!
