**NOTICE:** In order to be considered for an exemption from the university’s vaccine requirements, a student must submit this completed form to Counseling, Health & Wellness Services, including providing information that supports their sincerely held religious belief that prevents them from getting a specific vaccination. This form must be completed and signed by the student, and parent/guardian for students under the age of 18.

**In the event of a measles outbreak or close contact with someone who has COVID-19, an exempt student may be excluded from class or other campus activities, or asked to leave campus, until the student has proof of immunity, completed the quarantine process, or the outbreak is over.**

**If you are pursuing a degree in a healthcare field, additional requirements may apply.** No exceptions to standard University policy for tuition adjustments or refunds would be available in those circumstances.

<input type="checkbox"/> MMR Vaccine	

Please explain fully (1) the local or general objection to the MMR or COVID-19 vaccine relevant to your participation in your religious community/identity, and/or (2) how your sincerely-held religious belief, observance, or practice prevents you from receiving the vaccine. (Attach documentation or additional sheets as needed.)

**Student Declaration (Parent/guardian signature required if student is under the age of 18):**

I am aware if an outbreak of vaccine-preventable disease occurs for which I am exempted, or if I have close contact with someone who has COVID-19, I may be excluded from class or other campus activities, or asked to leave campus, until I have proof of immunity or the outbreak is over. No exceptions to standard University policy for tuition adjustments or refunds would be available in those circumstances. I further understand that I must follow all other health and safety practices established by the university for unvaccinated individuals.
