

Name:

Major/Minor:

Why did you choose Puget Sound?

→ I did not have anyone in my family who went to college. A great handful of my high school teachers went to UPS and I looked up to them as an example. Also, Puget Sound is beautiful and paid me the best!

In my spare time I like to...

→ Live my best life at concerts!!!! I'm also a very big bookworm :)

What is the most important thing you have learned from your time as a student staff member in the Office of Academic Advising?

→ Too many things! But mostly, you know a lot more than you think you do. Even if you don't, it's okay to not have the answer, because somebody will.
