

DENALI NELSON

Hiiii! My name is Denali Nelson, I use she/her pronouns and I'm from Portland, OR. I am a Junior majoring in Exercise Science with a minor in Science, Technology and Society and an emphasis in Bioethics. On campus, aside from being a Peer Advisor I work at the Cellar, I'm the President of the Club Soccer team, and am in the bioethics club! In my free time I love to go hiking, walking to Proctor down the street, or watching a Disney movie. I can usually be found catching up on homework at Opp cafe or making pizza in the basement. When I want to get away from campus, I love going to the Sound and watching the sunset :)
