

WILLIAM LUM

Hello! My name is William Lum (he/him) and I am from Sunnyvale, California. I am a senior majoring in Music Performance (my instrument is the euphonium, ask me what that is if you don't know!). I play in several performing ensembles both on and off campus, including the university's Wind Ensemble, Taiko Club, Puget Brass, and the Tacoma Concert Band. When I am not practicing, you can often find me studying at the library or exploring the waterfront. Looking forward to meeting you all!
