

# ANGELA RONCES CORTES

**Hi! My name is Angela Ronces Cortes. I am from Mount Vernon, Washington. I am a double major in Music and Latino/a studies with minors in Latin American Studies and an Interdisciplinary Humanities Emphasis. On campus you can see me playing cello in the UPS Symphony Orchestra, studying in Wyatt Hall and running across campus to work at my two jobs. I am a lover of all things squirrels, crafting and collecting books I might never read.**
