Dear Faculty and Staff Colleagues,

Open Enrollment for 2024 benefits is coming soon. Beginning Monday, October 30 and going through November 10, benefits-eligible faculty and staff have their annual opportunity to select benefits for themselves and dependents. Stay tuned for a more detailed communication, including instructions on completing the open enrollment process, in the coming days.

To support you as you make your selections, Human Resources is hosting a Benefits Fair on Monday, October 30 in the Wheelock Student Center's Rotunda. This year's event will provide you with the opportunity to meet with many of the university's benefits providers and attend information sessions to learn more about retirement planning and Medicare enrollment. Flu shot vaccines will also be available on a first-come, first-served walk-in basis.

Please join us for the opportunity to learn more about the university's benefits and enjoy refreshments and snacks! Door prizes will also be available for attendees and for those who completed the Movement Challenge sponsored by HR!

Details are included below and please feel free to reach out to benefits@pugetsound.edu if you have any questions.
