

CLASS OF 2024 COMMENCEMENT NEWS

ONE HUNDRED AND THIRTY-SECOND COMMENCEMENT | MAY 3-5, 2024

Ceremony Seating Accommodations

Dear Logger Graduates and Families,

You are receiving this email to inform you that you or someone in your party has requested seating accommodations for the upcoming Commencement Ceremony on Sunday, May 5. We have arranged reserved seating on the field for those needing ground-level seating. Reserve seating under a tent on the field has also been arranged for those needing seating near captioning and/or an American Sign Language interpreter.

The gates to the stadium will open at noon. Guest tickets for the accommodation

section have been labeled with a yellow sticker. Commencement ushers inside the gates will be available to guide guests in need of these accommodations to the designated seating area.

The entire section is reserved for those who may need the seating, although specific seats are not assigned. It is important to note that not all seating accommodations on the field will be covered. We strongly encourage you to prepare for various weather conditions by bringing sunscreen, sunglasses, caps, umbrellas, raincoats, etc. Rain ponchos will be provided underneath each seat on the field.

Accessible parking will be available on a first-come, first-served basis in Lot 3, directly across from Baker Stadium. Additional lots with accessible parking can be found using our [interactive map](#), or [printable campus map](#).

For the latest Commencement information, please review the [Commencement website](#) or contact us at commencement@pugetsound.edu.

We are committed to ensuring that all guests have a comfortable and inclusive experience at the Commencement Ceremony.

Thank you,

Office of Events
