

How to Decline Loans in myPugetSound

Want to decline your loan(s) and update your bill immediately?

If you have been offered federal loans as a part of your financial aid package, you have the ability to decline any loans you do not want via your myPugetSound portal. Both your financial aid and Bill + Payment will be updated in real time.

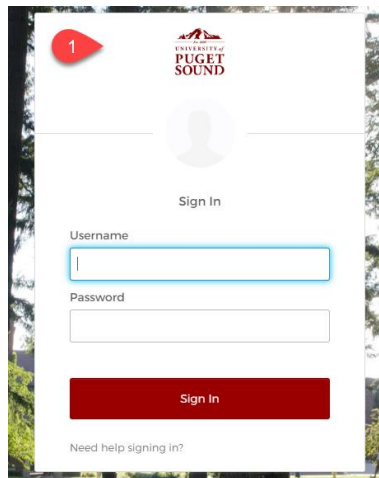

Before you begin

If you want to reduce your loan amount or decline one term only, you will need to email Student Financial Services at sfs@pugetsound.edu to make this adjustment for you.

1. Log into myPugetSound portal at my.pugetsound.edu
2. Click the **Student Finances** tile
3. Click **Financial Aid** tile
4. Select **Accept/Decline** from menu on left
5. Click **Edit** button
6. Select **Decline** from the drop down menu next to the loan you are wanting to decline
7. Click **Submit** button
8. Click **Yes** button to confirm declining of loan

Don't Worry!

We won't let you accidentally decline scholarships and grants. Only federal loans can be declined in the portal.
