

Graduation Application Steps

1. From myPugetSound homepage, click the Account Hold “Apply to Graduate or Postpone” yellow banner.

2. Click on the “Apply to Graduate or Postpone” hold.

3. Click the “Apply to Graduate or Postpone” button.

Apply to Graduate or Postpone

Reason Apply to Graduate

Click the link below if you plan to complete degree requirements in Spring, Summer or Fall 2026, or to let us know you will graduate after 2026.

Apply to Graduate or Postpone

4. Complete the fields in the form by first entering the term you will graduate (this is **NOT** when you plan to walk in commencement; please select the term you will be completing **ALL** degree requirements). If you will not graduate in the upcoming year, check the box “I don’t plan to graduate in the next year” select your expected graduation term, then click “Confirm.”

Graduation Application

*Graduation Date

Spring 2026 ▼

☐ I don't plan to graduate in the next year

The term in which you will complete all degree requirements including classes and also affiliations, internships, recitals, senior papers, or other non-class departmental requirements.

5. Complete the Diploma information section. Your diploma name should be your LEGAL name including your first, middle, and last names. If you have a suffix - Jr., III, etc., please enter that suffix in the last name box. You may use your preferred name for your diploma, but be advised that if you ever work internationally, most countries require a copy of the diploma to issue you a work or education VISA so having your legal name on the diploma can help you in the future.

If you are currently working on an additional major, minor, or emphasis, please enter those now. You can always contact our office to drop the plan before you graduate. Please note that the degree (and not major) will be printed on your diploma. The major and degree is printed on the official transcript. If you have multiple majors, your diploma will list only the degree (Bachelor of Arts/Bachelor of Science/Bachelor of Music) that corresponds with your FIRST major. If you are unable to reorder the majors to your preference, we can switch the order of your majors for you – please just make a notation in the comment box at the bottom.

[+](#) Add another emphasis

6. Complete the Ceremony Information section. First, select when you will walk at commencement. Note that when you walk at commencement is not when you will “graduate.” Fall graduates may walk in the Spring before or the Spring after their fall completion term.

For Occupational Therapy graduates, you will sign up for the commencement year at the end of the last term of class attendance. However, your expected graduation term should be set for the term you expect to complete at least two affiliations. Right now, you will be making your best guess. I will work carefully with our affiliation coordinator to adjust your application when your affiliations are completed. It is most important that you apply to graduate so we can ensure you are on all the commencement ceremony lists and graduation audits.

Enter the name you would like announced as you walk at the commencement ceremony. Historically, the university has used the legal name in the commencement ceremony. If you want a different name said at the ceremony, enter that here in the "Ceremony Information" section.

Choose the major department you would like to sit with at the ceremony. The major department should be associated with your primary or secondary major.

▼ Ceremony Information

Ceremony Year Commencement May 2026 ▼

Fall graduates may walk in the Spring before or the Spring after their fall completion term.

First Name

Middle Name

Last Name

This will be announced as you walk at the ceremony. The standard is your full name (first, middle, last). You may use your chosen name.

Department

Choose which of your major departments you would like to sit with at the ceremony, minors not included.

7. In the Additional Notes section at the bottom of the application, enter changes to majors (including any concentrations), minors, or interdisciplinary programs, or any other concerns about your graduation application. Additionally, please note here if you plan to study abroad in your last year.

When you finish updating, confirm the accuracy of all information entered, then click "Submit." Please note the name fields are case-sensitive.

Additional Notes

Enter changes to majors (including any concentrations), minors, or interdisciplinary programs, or any other concerns about your degree application. If you plan to study abroad during your last year, please indicate that here.

Please contact Brittany Sefton (bsefton@pugetsound.edu) if you have further questions.
