

UNIVERSITY of PUGET SOUND

2012 Transferable Courses NORTHWEST INDIAN COLLEGE

Northwest Indian College courses that are similar to Puget Sound courses numbered at the 100 or 200 level are generally transferable. However, as transfer evaluations are done in the context of each student's academic program, it is possible for an evaluation to include courses not listed in this guide as well as to exclude courses that are listed. Therefore, students are encouraged to seek the advice of the Puget Sound Office of Admission in selecting transfer courses, especially those students who have selected a major. A maximum of 96 quarter credits may be transferred, and all courses are evaluated on a course-by-course basis.

Students should use the course listings in conjunction with the Northwest Indian College 2011-2013 Course Catalog and the University of Puget Sound Bulletin 2011-2012. This guide is effective for the 2012 calendar year only and will be honored until 2014.

This guide has two lists, one for courses that transfer as university Core requirements and one for transferable courses in general. Note any courses that must be taken in combination in order to transfer. If the combination is not completed, separate courses may not transfer. Students are therefore advised to complete a sequence of courses, rather than just one or two quarters (for example, students studying Calculus should complete MATH 124, 125, and 126 rather than just MATH 124 and 125).

The university Core Curriculum includes 8 requirements plus a foreign language proficiency requirement. Sophomore transfer students may complete 4 Core courses and the foreign language proficiency requirement with transfer credit while junior transfer students may complete 5 Core courses and the foreign language proficiency requirement with transfer credit.

Transfer credit used in a major or minor program is subject to departmental review. Academic departments may require a transfer student to complete an interview or examination before being placed into a program of study. Based on a student's

placement, transfer credit may be adjusted and a student required to complete appropriate courses in residence.

NOTE: These listings apply to regular course offerings completed by regular college students. Courses offered in other formats, such as programmed-learning, challenge examination, distance-learning, online, or telecourses, may not be transferable. Additionally, college credit earned prior to high school graduation is subject to evaluation using both the high school and college transcripts.

Because curriculum revisions may occur during the year, all announcements are subject to change without notice. This document does not create a contract between the university and any student or community college.

Students with transfer credit questions should contact the Office of Admission at 253.879.3211 or 800.396.7191.

TRANSFERABLE COURSES THAT COMPLETE UNIVERSITY CORE REQUIREMENTS

HUMANISTIC APPROACHES (5 credits)

ANTH 202 - Cultural Anthropology PHIL 101 - Introduction to Philosophy PHIL 235 - Survey of World Religions

MATHEMATICAL APPROACHES (5 credits)

MATH 107 - Elementary Statistics I

MATH 124 - Calculus and Analytic Geometry

MATH 125 - Calculus and Analytic Geometry II

MATH 126 - Calculus and Analytic Geometry III

MATH 151 - Survey of Mathematics

MATH 207 - Elementary Statistics II

PHIL 120 - Introduction to Logic

SOCIAL SCIENTIFIC APPROACHES (5 credits)

CMST& 210 - Interpersonal Communication ECON 201 - Principles of Macroeconomics

SOCIAL SCIENTIFIC APPROACHES - Continued

ECON 202 - Principles of Microeconomics

POLS 115 - American Political System

NATURAL SCIENTIFIC APPROACHES (5 credits)

ASTR 101 - Astronomy

BIOL 101 - Introduction to Biology

BIOL 201 - Cell Biology: Creation, Energy, and the

Gift of Life

BIOL 202 - Plant Biology: Honoring the Gifts of Plants

BIOL 203 - Animal Biology: Our Relatives

CHEM 111 - Inorganic Chemistry

CHEM 112 - Organic Chemistry

CHEM 113 - Biological Chemistry

CHEM 121 - General Chemistry I

CHEM 122 - General Chemistry II

CHEM 123 - General Chemistry III

CHEM 231 - Organic Chemistry I

CHEM 232 - Organic Chemistry II

GEOL 101 - Introduction to Geology

PHYS 101 - General Physics I

PHYS 102 - General Physics II

PHYS 103 - General Physics III

TRANSFERABLE COURSES LISTED BY NUMBER

Symbols used throughout this guide are as follows:

Elective = Transferable elective course

- + = Activity credit. Transferable to a maximum of 2.00 Puget Sound units (12 quarter credits)
- * = Course similar to Puget Sound course listed, but department interview or examination may be used to determine fulfillment of major/minor requirements. Transfer credit is subject to revision.
