

UNIVERSITY of PUGET SOUND

2012 Transferable Courses OLYMPIC COLLEGE

Olympic College courses that are similar to Puget Sound courses numbered at the 100 or 200 level are generally transferable. However, as transfer evaluations are done in the context of each student's academic program, it is possible for an evaluation to include courses not listed in this guide as well as to exclude courses that are listed. Therefore, students are encouraged to seek the advice of the Puget Sound Office of Admission in selecting transfer courses, especially those students who have selected a major. A maximum of 96 quarter credits may be transferred, and all courses are evaluated on a course-by-course basis.

Students should use the course listings in conjunction with the *Olympic College 2011-2012 Course Catalog* and the *University of Puget Sound Bulletin 2011-2012*. This guide is effective for the 2012 calendar year only and will be honored until 2014.

This guide has two lists, one for courses that transfer as university Core requirements and one for transferable courses in general. Note any courses that must be taken in combination in order to transfer. If the combination is not completed, separate courses may not transfer. Students are therefore advised to complete a sequence of courses, rather than just one or two quarters (for example, students studying Calculus should complete MATH& 151, 152, and 163 rather than just MATH& 151 and 152).

The university Core Curriculum includes 8 requirements plus a foreign language proficiency requirement. Sophomore transfer students may complete 4 Core courses and the foreign language proficiency requirement with transfer credit while junior transfer students may complete 5 Core courses and the foreign language proficiency requirement with transfer credit.

Transfer credit used in a major or minor program is subject to departmental review. Academic departments may require a transfer student to complete an interview or examination before being placed into a program of study. Based on a student's

placement, transfer credit may be adjusted and a student required to complete appropriate courses in residence.

NOTE: These listings apply to regular course offerings completed by regular college students. Courses offered in other formats, such as programmed-learning, challenge examination, distance-learning, online, or telecourses, may not be transferable. Additionally, college credit earned prior to high school graduation is subject to evaluation using both the high school and college transcripts.

Because curriculum revisions may occur during the year, all announcements are subject to change without notice. This document does not create a contract between the university and any student or community college.

Students with transfer credit questions should contact the Office of Admission at 253.879.3211 or 800.396.7191.

TRANSFERABLE COURSES THAT COMPLETE UNIVERSITY CORE REQUIREMENTS

FINE ARTS APPROACHES (5 credits)

ART 102 - Art History/Ancient - Byzantine
ART 103 - Art History/Medieval - Renaissance
ART 104 - Art History/Baroque - Modern
DRMA& 101 - Intro to Theatre
ENGL& 111 - Intro to Literature
ENGL&113 - Intro to Poetry
ENGL& 114 - Intro to Drama
MUSC& 105 - Music Appreciation
MUSIC 188 - Introduction to World Music
MUSIC 189 - Intro to Jazz History

HUMANISTIC APPROACHES (5 credits)

ANTH& 206 - Cultural Anthropology
ENGL& 220 - Intro to Shakespeare
ENGL 279 - Shakespeare's Plays & English History

HUMANISTIC APPROACHES - Continued

ENGL 286 - Women Authors
HIST& 116 - Western Civilization I
HIST& 117 - Western Civilization II
HIST& 118 - Western Civilization III
HIST& 136 - US History 1
HIST& 137 - US History 2
HUMAN 203 - Introduction to Western Religions
PHIL& 101 - Intro to Philosophy
PHIL 240 - Intro to Ethics

MATHEMATICAL APPROACHES (5 credits)

BUS 215 - Business Statistics
CS& 141 - Computer Science I Java
CS 143 - Computer Science II Java
MATH& 107 - Math in Society
MATH& 146 - Introduction to Stats
MATH& 148 - Business Calculus
MATH& 151 - Calculus I
MATH& 152 - Calculus II
MATH& 163 - Calculus 3
MATH& 264 - Calculus 4
PHIL& 106 - Intro to Logic

NATURAL SCIENTIFIC APPROACHES (5 credits)

BIOL& 160 - General Biology w/Lab
BIOL 201 - Majors Biology I
BIOL 202 - Majors Biology II
BIOL 203 - Majors Biology III
CHEM& 121 - Intro to Chemistry
CHEM& 131 - Intro to Organic/Biochem
CHEM& 141/151 (both) - General Chemistry/Lab I
CHEM& 142/152 (both) - General Chemistry/Lab II
CHEM& 143/153 (both) - General Chemistry/Lab III
CHEM& 241/251 (both) - Organic Chemistry/Lab I
CHEM& 242/252 (both) - Organic Chemistry/Lab II
CHEM& 243/253 (both) - Organic Chemistry/Lab III
GEOL& 101 - Intro Physical Geology
