### **Additional Information**

#### Processing Requests:

It may take up to 15 business days to complete any request for health information to be duplicated and mailed to a third party. If you have not anticipated this lead time, let us know; we may be able to expedite. There may be a charge for duplicating records. The costs are as follows: 1-4 pages: no charge; 5-15 pages: \$5; 16-40 pages: \$10; over 40 pages: \$20.

#### Drug and Alcohol Abuse Treatment Information:

Federal regulations prohibit any further disclosure of this information except with specific written consent of the person to whom the information pertains or as otherwise permitted by federal law. Accordingly, CHWS will include the following statement with any disclosure of this type of information:

“This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR Part 2). The Federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains, or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.”

#### Sexually Transmitted Disease/AIDS/HIV Information:

State law prohibits any further disclosure of this information without specific written consent of the person to whom the information pertains, or as otherwise permitted by state law. Unless redisclosure is specifically permitted, any such information disclosed pursuant to this consent and authorization will be accompanied by the following notice: This information has been disclosed to you from records whose confidentiality is protected by state law.

“State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose. A general authorization to release information is not sufficient for this purpose.”

Any violation of the law is a gross misdemeanor, and the law creates civil remedies for any violation.
