PIANIST

GLENNA TOOMEY '15 was enamored by the piano from a very young age and began formal studies at age 8. She studied with Tanya Stambuk for three years and currently studies with Jooeun Pak during Dr. Stambuk's sabbatical. Glenna will graduate this year with a double major in piano performance and mathematics. Last summer she was selected to attend the Brevard Music Festival, where she studied piano intensively for six weeks, both performing and attending master classes taught by distinguished pedagogues. This summer she looks forward to attending Orfeo Music Festival in Vipetino, Italy, where she will again have the opportunity to work with acclaimed musicians and perform internationally. Next year Glenna will continue her education to earn her master's degree in piano performance at the University of Colorado Boulder. Her future plans are to pursue a doctorate degree in musical arts and to enjoying a career both performing and teaching at the college level.

ACKNOWLEDGMENTS

I would like to thank my friends and family for offering me an immense amount of support and encouragement throughout the past four years. I would also like to thank Dr. Tanya Stambuk and Dr. Jooeun Pak for raising my musicianship to levels I never thought possible, and for inspiring me both musically and personally.
